

9th Grade Course Selection Guide

All students must select a total of 8 credits and 3 ALTERNATE courses.

Important Notes: If it is not possible to schedule a student for the elective credits that they have selected as their first choice, students will be scheduled next for a course which they have selected as an alternate. It is recommended that a student select at least 3 additional alternative courses. If no alternative courses are indicated or if the alternatives are not available, students will be scheduled for the first available elective.

9th Grade Required Courses	Required Credits	Practical Arts <i>Graduation Requirement: 1.0 credit</i>			Humanities <i>Graduation Requirement: 1.0 credit</i>			Technology Education <i>Graduation Requirement: 0.5 credit</i>	
English 9	1 credit	Agriculture <i>(All courses are 0.5 credit)</i>	Family Consumer Science <i>(All courses are 0.5 credit)</i>	Business <i>(All courses are 0.5 credit)</i>	Art <i>(All courses are 0.5 credit)</i>	Music	World Language <i>(All courses are 1 credit)</i>	Technology Education <i>(All courses are 0.5 credits)</i>	Computer Science <i>(All courses are 0.5 credits)</i>
