

2024-2025 Strategies

James A. Mulkey Elementary School

Vision

The vision of Geneva City Schools is to provide quality education to all students, producing graduates prepared for college, career, and life.

Mission

The mission of the Geneva City Schools is to educate every student through a comprehensive and academically challenging curriculum, in a safe and positive environment, in order to prepare them for future success as productive citizens committed to tradition and excellence.

Beliefs

We strive to be the highest achieving school system in the Wiregrass in academics, the arts, and athletics.

We educate students to be productive contributing members of society.

School safety, positive relationships, academic achievement, persistence, and leadership are core values.
