Stewart County School District Will Mandate Masks for Students and Staff

LUMPKIN- Stewart County School District is looking forward to our 2022-2023 school year. Hence, we would like to inform you about our updated Mask Policy. We will be mandating wearing a mask for students and staff before entering our facilities and buses due to the High Transmission of COVID-19 in Stewart County. According to SB 514 Unmask Georgia Student Act, students can opt out of wearing a mask. If a student opts out, the appropriate form must be completed, signed by the guardian/parent, and returned to the school's main office. This opt-out form can be accessed on our district website or in the main office at the school level.
