Dear St. Anne Families,

It was an exciting first full week of school at St. Anne! Our week was filled with faith, family, and many wonderful moments that remind us what makes our school community so special.

On Monday, we welcomed our Pre-K3 and Pre-K4 students for their first day of preschool. We are excited to have both new and returning students with us as they begin a year filled with learning, growth, and new friendships. We are also grateful to our dedicated preschool teachers, Mrs. Ortiz, Mrs. Curry, and Mrs. Farmer, for all they do to care for and guide our youngest students.

We were also blessed to celebrate one of our favorite annual traditions—St. Anne Grandparents' Day. It was wonderful to welcome so many grandparents to our Community Center, and the fantastic turnout made the morning even more special. It was heartwarming to see the bond between our students and their grandparents. A special thank-you to our PSA for providing a lovely breakfast and helping make the morning so memorable.

As we look ahead, please keep these important dates in mind. Students will attend Mass on **Thursday, September 24**, and our first early dismissal of the school year will take place on **Friday, September 25, at 11:45 a.m.** Our **Blessing of the Pets** will take place on **Friday, October 2, at 2:00 p.m.** Parents may take their child home directly following the event **only if the child is participating in the Blessing of the Pets**. This will help us keep the afternoon running smoothly and ensure an orderly dismissal for everyone.

A quick reminder regarding tuition and Extended Care: **All tuition payments must be current and up to date.** Families using Extended Care are also reminded that **payments must be set up on autopay.** We appreciate your attention to these important reminders.

Thank you for your continued support and for helping make our first full week of school such a wonderful one. We are grateful to have you as part of the St. Anne family and look forward to all that the year ahead will bring!

With every blessing,

Dr. Fries
