2024

SUMMER CAMPS

Full day and half day camp options available!

June 10-12: Nature Fairytales 2.0

(ages 4-7)

In this half-day camp, explore the magic nature has to offer! Storybooks will come to life as campers use all five senses to experience shapes, textures, and colors in nature, explore our trails, play games, and meet our chickens! ***Different stories than last year's camp will be used to keep returning campers engaged!***

June 24-26: Farm to Fork - Let's Get Growing!

(ages 4-11)

Experience and taste The Macoskey Center's gardens and edible landscape! Campers will get their hands dirty as they learn how to plan, prepare, and plant gardens. They will also learn how to properly care for a garden and what plants need to thrive.

July 15-17: Nature Explorers

(ages 4-11)

Explore The Macoskey Center trails and learn about the variety of animals that call them home! Through hands-on activities, games, and outdoor investigations, campers will learn about the natural world around them. Campers will also learn how to become good stewards of their environment.

July 29-31: Farm to Fork - Let's Get Cooking!

(ages 4-11)

Learn to harvest, prep, and cook delicious snacks with The Macoskey Center staff using fresh ingredients from our gardens and edible landscape! Campers will explore our food forest and gardens as well as prepare a meal for their families to enjoy.
