

Supplies for Algebra II (10th Grade)/Calculus/Precalculus
Mrs. Holladay

- Textbook or E Book
 - Large spiral notebook with pockets (at least 3 subjects)
 - Pencils
 - Scientific calculator (I will teach using the TI – 36X Pro). These calculators are ACT approved. You may purchase them online through Amazon.com for around \$20.
 - **All Calculus and Precalculus students are required to purchase a \$21.50 access to the online homework that will be accessed through Web Assign.** This site is what Auburn, Alabama, and Troy use in their math departments. I will show students how to access it at the beginning of school. They will use a credit card to purchase it in class.
-
- **Algebra II** – please bring a roll of paper towels
 - **Precal** – please bring a box of tissues
 - **Calculus** – please bring a container of hand sanitizer, can of Lysol spray, OR disinfectant wipes
