1. Welcome and Introductions

Committee members welcomed Britni Haley, guest, who joined the committee to contribute to the NH Listens Report discussion.

2. Review and Approval of Meeting Minutes

- Minutes of the October 11, 2024 meeting were reviewed and approved.

3. Community Conversation Series from NH Listens Report

Members reviewed the report in advance of the meeting and shared their insights. The facilitators present shared the experience of leading the group discussion. Highlights of the conversation included: effort on the part of some to discourage participation via social media; continued misrepresentation of the facts and lack of trust; need for more in person outreach to provide facts; the students and staff at the meetings provided very helpful insights.

4. Capital Campaign Subcommittee Report

The capital campaign committee reported that we had received over \$7,000.00 in donations. Fundraisers are planned in the coming weeks, including a talent show and online auction sponsored by the PTO.

5. Project Review and Future Recommendations

Due to the weather and lack of response from the NHED, the discussion will be held at another meeting.

6. Next Steps -

Dependent on future information which will inform the committee's decision.

7. Next Meeting Date

TBD

8. Adjournment

Approved 2/1/24
