| How it will loo<br>when fully me |          | Trindale Elementary classroom teachers will send home newsletters that contain important information such as, "What's Happening in the Classroom" and how parents can help their child/children at home. Teachers also send home messages through Dojo, emails, etc. to ensure direct communication with parents. The principal will send home periodic newsletters to parents to keep them information of school information and tips on how to help support their child/children at home. Parent nights have academic and/or technological themes to emphasize the importance of these topics and ways to best support student learning. |                                | Kaitlyn Thompson | 06/02/2024  |

# **NCStar/SIP Mandatory Components**

School Name: Trindale

School Year: 2022-2023

# **Duty-Free Lunch**

A duty-free lunch period will be provided for every teacher on a daily basis or as otherwise approved by the School Improvement Team. Please describe the plan below.

Due to the inability to adequately supervise students during lunch, we do not provide duty-free lunch for the teachers. Teacher Assistants are used for instructional purposes in the classroom.

### **Duty-Free Instructional Planning**

Duty-free instructional planning will be provided for every full-time assigned classroom teacher, with the goal of providing an average of at least five hours of planning time per week. Please describe the plan below.

Teachers are provided 5 hours and 15 minutes a week of duty-free planning time. They have planning time during daily BEP's for 45 minutes and 15 minutes after students have left campus.

## Transition Plan for At-Risk Students

X Elementary to Middle School

☐ Middle School to High School

Please describe transition plan below.

Trindale has a transition plan for at-risk students. Pre K students visit our Kindergarten classes and spend time learning about what it is like to be in Kindergarten. At the beginning of the school year Kindergarteners are screened to measure their preparedness for Kindergarten. At-risk students are identified and parents are given strategies to help students be successful. Fifth grade students visit their feeder middle school and sign up for elective classes. K-4 transition nights provide the opportunity for parents and students to learn about the upcoming grade level and how to prepare their child for success.
