🍩❤️ Big Thanks! ❤️🍩

A huge thank you to everyone who joined us for Donuts with Grownups! It was such a joy to see all the special people who play an important role in our students' lives.

Special thanks as well to our PTO, staff, and students who helped put everything together and keep it running smoothly, and to Kara Rhoda for capturing the memories with photos. 🐾

This year, your child's school will use the MBF Child Safety Matters® Program from the Monique Burr Foundation for Children. The presentation will take place on September 10, 2025 at school.

The program teaches students how to recognize and respond to bullying, cyberbullying, child abuse, and digital dangers by using age-appropriate language. It emphasizes that while adults are responsible for keeping children safe, students can also play a role in helping adults protect them. The program is research-based and nationally endorsed.

A parent opt-out form has been sent home. If you do not want your child to participate, please complete and return the form by the date listed.

If you have any questions or concerns, please contact Mrs. Bowman @ tbowman@tritownship.k12.in.us
