The Week of February 2<sup>nd</sup>, 2026

## Upcoming Dates

- 2/2 - Silverwood reading logs in folders
- 2/4 - Little Ceasar's Pizzas
- \*Come pick up your Little Ceasar's pizzas from Bovill Elementary between 1:30 and 3:30pm on Wednesday. See your email from Mr. Monk for more information. Thank you so much for your support!
- 2/9 - Late Start; School begins at 10:30am
- 2/12 - Valentine's Day Celebration
- \*This is a Thursday celebration ☺
- 2/16 - No School, President's Day
- 3/20 - Silverwood reading logs are due!

## A Note To You

Hello Families,  
Today you will find a Silverwood reading log in your kiddo's folder. For this reason, I will not be sending home class reading logs in February or March. Have a great time reading ten hours to earn a Silverwood reading ticket!  
We will have our Valentine's Day parties on Thursday, February 12<sup>th</sup>. Class lists and supply sign-up sheets are in folders again today.  
Have a great week,  
Mrs. Summerfield

## Practice At Home

- ❖ Practice breaking words apart into syllables, then breaking syllables into individual sounds to spell. Use the UFLI spelling practice guide I send home each week to practice what we are learning in class.
- ❖ There are six syllable types and your second grader knows them all! The syllable types include open, closed, CVCe, vowel teams, vowel-r and consonant-le. Knowing the syllable types and practicing identifying them will GREATLY influence your child's reading & spelling skills.
- ❖ For math, practice adding and subtracting numbers using a variety of different strategies. These strategies might include decomposing numbers, using a number line, or drawing the base ten form of the numbers to add or subtract, etc.

## This Week's Agenda

**Spelling:** Words ending in the /k/ sound -ic, ck, and k

-ck: Comes at the end of a word, and follows a short vowel sound like in 'track' and 'brick'

-k: Comes at the end of a word and follows a long vowel sound or vowel-r spelling like in 'beak' and 'shark'. Also follows consonants, like in 'sink' or 'bunk'

-ic: ends a two-syllable word like in 'comic' and 'music'

**Reading:** We will finish learning about each stage of a plant's life cycle this week. Then we will find out the secret plants have... what makes new plants grow?

**Math:** We are continuing to investigate how inches, feet, and yards are related to one another. We are learning the importance of exactness when we measure length.

**Science:** We will continue investigating different ingredients to find out which substances might be useful to make glue.

-ck: Comes at the end of a word, and follows a short vowel sound like in 'track' and 'brick'

-k: Comes at the end of a word and follows a long vowel sound or vowel-r spelling like in 'beak' and 'shark'. Also follows consonants, like in 'sink' or 'bunk'

-ic: ends a two-syllable word like in 'comic' and 'music'

**Reading:** We will finish learning about each stage of a plant's life cycle this week. Then we will find out the secret plants have... what makes new plants grow?

**Math:** We are continuing to investigate how inches, feet, and yards are related to one another. We are learning the importance of exactness when we measure length.

**Science:** We will continue investigating different ingredients to find out which substances might be useful to make glue.
