## BOARD OF EDUCATION GUARANTEE

(Adopted June 2025)

As elected representatives of our community, we are honored to serve our fellow citizens by delivering the highest quality programs and services to the children of our district.

### Therefore, we will guarantee that:

#### **We will serve with dedication.**

We embrace the opportunity to make a meaningful difference in the lives of children and the overall quality of life in our community. We proudly accept this responsibility and the challenge it brings.

#### **We will treat all individuals with dignity and respect.**

Whether students, parents, staff, citizens, or fellow board members, every person we engage with will be treated with professionalism, civility, and compassion.

#### **We will be informed, prepared, and engaged.**

Our decisions will be guided by the most current, accurate, and relevant information available. We are committed to continuous learning and to modeling the belief that education is a ongoing journey.

#### **We will work collaboratively to foster a caring learning environment.**

We value teamwork and will partner with administrators, educators, support staff, parents, students, and community members to ensure our schools reflect warmth and care.

#### **We will uphold our role as policy makers and trusted representatives.**

We understand the importance of governance and will maintain the Board's role in policy development. We will communicate openly with our constituents and ensure concerns are respectfully directed through appropriate channels.

#### **We will champion our schools with enthusiasm.**

We are committed to supporting the outstanding work of our students, staff, and volunteers. We will demonstrate this support by attending school events and pursuing board certification through ongoing professional development.

#### **We will represent all voices in our community with integrity.**

Our decisions will be rooted in sound policy, ethical principles, and the best interests of all students. We will use data, surveys, and active listening—both formally and informally—to stay connected with those we serve

## **BOARD OF EDUCATION NORMS**

**As Owosso Public Schools Board Members,  
we will:**

- Put students first in all decisions and actions.
- Communicate respectfully, honestly, and in a timely manner.
- Come prepared for all meetings and discussions.
- Be committed to the mission and vision of the district.
- Act as a unified board once decisions are made.
- Be punctual and courteous, and notify others if we will be absent.
- Avoid surprises by keeping each other informed.

**For Information**

Superintendent Brooks informed the Board that the purpose of this budget hearing is to comply with the Michigan Department of Education and the Board of Education's requirements by holding a public hearing before adopting the 2025-26 budget. This hearing must precede the budget adoption and include the topic of the proposed property tax millage rate. The Board will specifically discuss the *Headlee* Amendment and the Uniform Budgeting and Accounting Act. Superintendent Brooks emphasized that the *Headlee* Amendment protects Michigan taxpayers from excessive state and local taxation, requiring voter approval for any new or increased local tax and imposing limits on property tax increases due to assessment growth. This year, the *Headlee* Amendment will not result in a roll-back, as the millage reduction factor (MRF) is 1.0. Consequently, the approved operating millage remains at 18.1020 mills, the same as last year. However, by law, the District cannot levy more than 18.0000 mills on eligible property. Superintendent Brooks explained that the district cannot collect more in taxes than 5% or the rate of inflation, whichever is lower, without a public hearing. Therefore, the millage rates imposed

by the school district must be adjusted accordingly. He also reminded the Board that the community passed a bond in November 2017, with the eighth assessment scheduled for December 2025. The calculated millage to service this debt is 4.70 mills. Superintendent Brooks concluded his report by stating the following millage rates will be considered approved and assessed on eligible property for the Winter tax assessment to support the 2025-2026 proposed expenditures:

- Operating millage (renewed in May 2013) – 6.000 mills for commercial personal property, 18.0000 mills for all other properties
- Debt millage – 4.7000 mills approved by voters in November 2017

### **Adjournment**

Moved by Mowen, supported by Easlick, to adjourn at 5:34 p.m. Secretary Henne conducted a roll call vote. Ayes: Easlick, Henne, Mowen, Ochodnicky, Pappas, Quick, and Webster. Nays: None. Motion carried unanimously.

**Amend Agenda**

President Webster informed the Board of two requested agenda amendments, the first amendment updates Item #8 in the Board packet to reflect a total of three new hires, following a personnel change that occurred earlier today. The second amendment corrects a clerical error regarding the Closed Session. The purpose of the session is not Attorney-Client Privileged Information, but rather the Superintendent's Mid-Year Evaluation. Moved by Quick, supported by Henne, to approve the agenda as amended. Motion carried unanimously.

**Building Reports**

Superintendent Brooks welcomed Athletic Director Nick VanDuser to formally recognize several outstanding student-athletes who earned Division 2 All-State honors for their exceptional achievements this season. Mr. VanDuser then invited Coach Noah Jacobs to join him in celebrating the accomplishments of these athletes.

Coach Jacobs began by honoring Gabi Hufnagel, who earned Division 2 All-State recognition in Girls Track & Field with an impressive 2nd place finish in the 300-meter hurdles. He also recognized Charlie Nolph for his outstanding performance in Boys Track & Field, earning All-State honors in three adaptive events: 3rd place in both the Adaptive Shot Put and Adaptive 200M, and 5th place in the Adaptive 100M.

Athletic Director VanDuser continued by congratulating Carson Moore, who was named to the Division 2 Second Team All-State as a catcher for the baseball team. He also celebrated two standout athletes from the softball team: Adysen Freeman, who earned Division 2 First Team All-State honors as a catcher, and Audri Hrncharik, who received Honorable Mention All-State recognition as a utility player.

## **Board Correspondence**

Superintendent Brooks began his report by recapping the end of the school year, highlighting several successful field trips across the district that involved kindergarten, third-grade, and fourth-grade students. He also recognized the numerous graduation ceremonies that took place, including those for preschool, kindergarten, fifth grade, the eighth-grade celebration, and the major graduation events at the high school and Lincoln.

He announced that the district's annual audit for the 2024–25 school year officially began last week. The auditors will return in August to complete their work, and their final report will be presented to the Board in October.

Superintendent Brooks shared the exciting news that the district's preliminary qualification (PQ) for the upcoming bond was officially approved by the Michigan Department of Treasury earlier that day. He noted that the district's bond attorneys have begun drafting ballot language for the July Board meeting.

At Lincoln, seven students have been accepted and are preparing to attend LCC or Baker College for their next steps, and Lincoln students earned twice as many credits in 2024–25 as compared to the previous school year—both points of pride for the school. He also highlighted the Owosso Middle School (OMS) band's impressive 240-member performance during the Kids Parade. OMS is projected to have approximately 280 band students next year, showing continued growth.

Superintendent Brooks acknowledged the Spring Fling celebration held on May 31, where over 1,000 awards and certificates were distributed. He commended Mr. Collins and his team for a job well done.

Turning to summer initiatives, he reported that summer programming is off to a strong start. He also noted the district's receipt of a grant last year to install a new half-mile track at Bryant. The track has now been staked out and is ready for installation—a major step forward for both students and the community.

Maintenance and summer cleaning efforts are in full swing, and Superintendent Brooks gave a special shout-out to the district's custodians and maintenance staff who are already hard at work preparing buildings for the upcoming school year. In transportation, the district launched communication efforts for the new Tyler Drive automated bus software. As of now, over 600 families have responded to the outreach, and the district aims to reach at least 1,000. Another message will be sent out on Monday to continue gathering parent responses before the holiday.

Lastly, in food service, Superintendent Brooks proudly reported that over 10,000 meals had already been served this summer as of June 9. For the entire 2023–24 year, which includes school year meals and summer service, the district served an impressive total of 595,000 meals. He extended his gratitude to the food service staff for their outstanding work in ensuring that students in Owosso Public Schools are well-fed throughout the year.

Dr. Dwyer reported that more than 200 students are currently enrolled in the district's summer school programs. She also noted that there will be no summer school sessions next week in observance of the 4th of July holiday.

The Books at Bryant program will also take a break next week for the holiday. Dr. Dwyer expressed her appreciation to Principal Spielman and her team for organizing these meaningful and engaging events for families.

### **For Information**

Superintendent Brooks announced the following personnel changes:

### **Accepted Positions**

Carson Moore has accepted the Sub Grounds position.

### **Resignations**

Tara Gall, Monitor at OHS, has resigned effective June 2, 2025.

Hillary Foster, GSRP Lead Teacher, has resigned effective June 5, 2025.

Lauri Dahl, Paraprofessional at Emerson, has resigned effective June 5, 2025.

Taylor Crowe, Monitor at Bryant, has resigned effective June 2, 2025.

Kevin Hall, Sub Food Service Worker, has resigned effective May 22, 2025.

### **Retirements**

Demetrius Lemanski, Teacher at Central Elementary, has submitted his letter of intent to retire effective June 17, 2025, after 26 years of service.

Superintendent Brooks provided an update regarding the proposed fighting ordinance. Over the past several months, he has worked closely with the City of Owosso, law enforcement, and the 35th District Court to address the rise in physical altercations occurring on school property. While the district continues to implement restorative practices—such as Navigate360

lessons, anger management, and community service—with varying degrees of success, Brooks has decided to pause the pursuit of the proposed ordinance at this time.

Instead, Owosso Public Schools will partner with the juvenile court system to support a new diversion program launching later this fall. The district remains committed to reducing incidents of physical violence and will continue monitoring the situation and collaborating with city and law enforcement partners. Brooks emphasized that the original intent of the ordinance was to support student accountability and safety, and the new diversion initiative may help accomplish that goal.

### **Public Participation**

President Webster stated that the Board of Education is a public body and recognizes the value of public comment on education issues. Time has been included in the meeting's agenda for public participation. Members of the audience were reminded they should announce their name and group affiliation when applicable and to limit their participation time to three minutes or less. Comments should be directed to the Board and be relevant to the business of the Board of Education. This is not an opportunity for dialogue with the Board of Education. The rules of common courtesy should also be observed.

### **Board Comments**

President Webster opened by expressing her support for the proposed city ordinance related to student altercations. She acknowledged the controversy surrounding the ordinance but affirmed her belief in its original intent—to provide students with access to the support they need, not to criminalize them. Drawing on her experience as a member of the Governor's Task Force on Juvenile Justice Reform, she recognized the concern over increased police interaction with youth and its potential long-term impact. However, she emphasized the Board's responsibility to ensure the safety and well-being of both students and staff.

Webster highlighted a concerning statistic: 31 incident reports this year from staff who were injured while intervening in physical altercations, with three requiring trips to urgent care. She expressed disappointment that the ordinance became so controversial, especially since similar measures exist in neighboring districts. She noted that the ordinance, like others (e.g., fines for vape pen use), was intended to connect students with much-needed support services that often require legal involvement to access.

Lastly, Webster praised the Summer Food Program and summer school, noting the strong sense of community fostered through shared meals and family engagement. She described families gathering together at tables and expressed appreciation for the educators and support staff making these opportunities possible. She added that while the food is vital, the program also provides meaningful moments of connection and community for families across the district.

Trustee Pappas shared his thoughts regarding the proposed ordinance addressing student altercations. He expressed support for the decision to pause the ordinance, noting that it provides an opportunity to work more closely with the school resource officer, the juvenile court system, and the new diversion program. Pappas highlighted the importance of creating a safe environment for all students and staff and said he is hopeful that, over the coming year, the community's existing support systems can help reduce the need for further legal measures.

However, he also acknowledged that if disruptive and unsafe behavior continues, the Board may need to revisit the ordinance in the future. He appreciates the current direction but stressed the importance of accountability and results.

Trustee Pappas also extended a special thank-you to the district's grounds crew. He commended their hard work and dedication, especially during recent high temperatures, for keeping the campus clean, well-maintained, and welcoming. He specifically noted their detailed work such as edging and landscaping and applauded their role in maintaining a positive and professional school environment.

Treasurer Quick congratulated all of the district's All-State athletes. She also acknowledged the strength of the district's summer school and food service programs, highlighting the positive impact they continue to have on students and families. Additionally, she extended her appreciation to the parent who spoke during the meeting about her child's journey.

Secretary Henne offered brief congratulations on all the progress made throughout the year, noting that it was another great year for the district. He reiterated a point from the last board meeting—highlighting the district's ongoing commitment to improvement through smart investments.

He referenced the purchase of a brand-new \$142,000 bus as a prime example of that investment and stressed the importance of maintaining and protecting such high-value assets. Given the current situation, he expressed concern about having to store such an expensive piece of equipment in a less secure area, even though it remains within district care. He closed by reaffirming his intention to continue advocating for improvements that bring long-term value to the district.

Trustee Mowen expressed strong support for the district's efforts to address student behavior through the newly discussed ordinance. He stated that while it's not a major overhaul, it's a necessary tool to help manage concerns raised by the community. He criticized a misleading blog post featuring a doctored image of young students, stating it spread false perceptions among those not actively engaged with the district. Mowen applauded the board for taking action, noted other districts have seen success with similar measures, and affirmed his continued support for initiatives that protect students, staff, and the broader community.

Trustee Easlick expressed support for the Board and the decisions being made, stating that he stands behind the actions the Board is taking.

Vice President Ochodnicky voiced her agreement with President Webster's remarks, particularly in support of exploring new approaches to student discipline. She emphasized that suspending students for extended periods—such as 180 days—does little to help the students or the broader community. Noting that many of these students remain in the community as adults, she stressed the importance of surrounding them with support services rather than simply removing them from the school environment.

She expressed strong respect for Sarah Edwards and Mrs. Quick for their longstanding dedication and positive impact working with youth in the court system. Ochodnicky shared that trying something new this fall, such as the diversion program, would have been a worthwhile step, and if it had proven ineffective or been misused, it would have been the Board's responsibility to adjust course accordingly.

Ochodnicky closed by expressing appreciation for the efforts being made and the commitment to continuous improvement.

### **Meeting Updates:**

- TBA

### **Closed Session**

Moved by Mowen, supported by Ochodnicky, to move into closed session at 7:28 p.m. to conduct the Superintendent Mid-Year Evaluation. President Webster conducted a roll call vote: Ayes: Easlick, Henne, Mowen, Ochodnicky, Pappas, Quick, and Webster Nays: None. Motion carried unanimously.

Moved by Mowen, supported by Quick, to move back into open session at 8:30 p.m. President Webster conducted a roll call vote: Ayes: Easlick, Henne, Mowen, Ochodnicky, Pappas, Quick, and Webster Nays: None. Motion carried unanimously.

Following this review, the Board—through discussion and collaboration with Superintendent Brooks—identified three focus areas for the remainder of the year: attendance, academics, and communication. These goals will guide the second half of the evaluation cycle. The Board also discussed the importance of identifying relevant data and artifacts to measure progress, as well as any training or support that may be beneficial moving forward.

### **Adjournment**

Moved by Ochodnicky, supported by Henne, to adjourn at 8:37 p.m. Motion carried unanimously.

Bond Resolution

Recommendation:

That the Board of Education adopt the resolution to call a special election on **November 4, 2025**, and submit to voters a bond proposal in the amount of **\$35 million**, with **no increase to the current debt levy**.

Facts/Statistics:

Owosso Public Schools proposes a **\$35 million bond** to address critical district infrastructure, safety, and instructional needs **without increasing the current debt levy**. The bond will appear on the **November 4, 2025**, special election ballot, pending Board certification.

This zero-mill increase bond leverages expiring debt to reinvest in our schools while maintaining the current tax rate. The proposal reflects both **fiscal responsibility** and a **commitment to safe, warm, and dry learning environments**.

**Scope of the Bond Projects:**

This bond proposal would address the highest priority projects as determined by the district and community input with a focus on **Safe, Warm, and Dry**. As outlined in the official resolution, the bond proposal includes the following:

**Bentley Bright Beginnings Early Childhood Center**

- Site work for an addition that houses two new classrooms with restrooms
- Mill and overlay the existing parking lot
- Expand the parking lot
- Abatement
- Classroom furniture and equipment

**Emerson Elementary School**

- Replace boiler
- Replace EFIS with composite panel on north side of building
- Replace roof – center section
- Pave parking lot
- Replace sidewalks near bus stop on Dewey Street
- Abatement

- Classroom furniture and equipment

### **Bryant Elementary School**

- Replace boiler
- Remodel restrooms to meet ADA compliance – new fixtures and finishes
- Replace the roof over the gym and the wood exterior fascia
- Replace ceilings throughout the school
- Build a secure entrance
- Install exterior fencing
- Abatement
- Classroom furniture and equipment

### **Central Elementary School**

- Remodel restrooms to meet ADA compliance – new fixtures and finishes
- Replace the entire roof and the wood exterior fascia (Note: The 2019 addition will NOT receive a new roof.)
- Replace windows
- Replace sidewalks on Lee Street (Note: Some work will be completed in 2027 and some in 2028.)
- Build a secure entrance
- Abatement
- Classroom furniture and equipment

### **Owosso 6<sup>th</sup>-12<sup>th</sup> Grade Campus & Athletics**

- Replace sawtooth roofing over the cafeteria and media center
- Replace pool infrastructure and mechanical systems (Note: Some work will be completed in 2028 and some in 2029.)
- Remove skylights and infill roof and ceiling
- Resurface the “freshman” parking lot on the West side of the campus
- Abatement

### **Washington Campus/Lincoln Alternative High School**

- Remodel restrooms to meet ADA compliance – new fixtures and finishes
- Add doors to create a secure entrance
- Replace water lines
- Replace fuse panels
- Abatement
- Classroom furniture and equipment

### **Jerome Street Transportation Facility**

- Demolish buildings
- Create new parking lot for district use
- Abatement

### **Cedar Street Warehouse**

- Demolish existing building
- Abatement

### **New construction of a Transportation/Maintenance Center on the north side of the 6<sup>th</sup>-12<sup>th</sup> Grade Campus (property currently owned by the District) inclusive of:**

- Bus canopy for 12 busses
- Sitework
- Loose furnishings and equipment

- Technology

### **Financial Details:**

- **Total Estimated Cost of the Project:** \$35,286,578
- **Bond Amount to be Borrowed:** \$35,000,000
- **Millage Rate Impact:** **Zero increase** from current debt millage
- **Bond Term:** Through approximately 2053
- **Use of Funds:** Direct project investment; any additional proceeds will be used for bond-related costs and interest earnings

### **Election and Timeline:**

- The Board intends to submit this proposition to voters at a **special election on Tuesday, November 4, 2025.**
- **Ballot Certification Deadline:** On or before **Tuesday, August 12, 2025**
- The Board will work with the **Election Coordinator** to:
  - Publish notices of the election in a newspaper of general circulation within the district
  - Ensure compliance with state election requirements

### **Community Impact and Communication:**

This bond represents a **zero mill net tax rate increase** from the current (2025) tax year. There are core infrastructure system projects, such as roofs, boilers, plumbing, electrical and windows, that have exceeded their expected lifecycles – replacing these systems would extend the useful life of our school buildings and sites. The community will see long-term returns through:

- Safer, more secure campuses
- The operational savings generated from new and cost-efficient facilities could be redirected to student programs and resources.

### **Communication Plan includes:**

- Bond informational webpage, printed materials, and social media graphics
- Community presentations and tours
- Staff and parent forums
- Clear messaging on “zero mill increase” status

- Funds raised through the sale of bonds cannot be used for operational expenses such as employee salaries and benefits, school supplies, and textbooks. Bond funds must be kept separate from operating funds and must be audited by an independent auditing firm.

Purchase of OMS ELA Curriculum 6-8

Recommendation:

Resolve that the Board of Education approve the purchase and adopt Amplify as the Core Literacy Curriculum for 6-8.

Facts/Statistics:

After a thorough pilot process involving two core literacy programs, the middle school pilot team has reached a unanimous decision to adopt *Amplify ELA* as the new core literacy curriculum beginning in the 2025–2026 school year. The total cost of implementation is approximately \$112,000 over six years.

*Amplify ELA* is a blended literacy curriculum designed specifically for grades 6–8. At the heart of every lesson is the text itself. The program enables teachers to teach essential literacy skills through high-quality texts, helping students build meaning through reading. With *Amplify ELA*, students learn to approach complex texts with confidence.

The program aligns with Michigan ELA state standards and provides built-in supports to differentiate instruction for students at various reading levels. Teachers and students especially appreciated the Vocabulary App, which reinforces academic vocabulary in an engaging and interactive way.

The curriculum also includes rich, rigorous texts that promote critical thinking and deeper comprehension. Teachers noted a high level of student engagement and strong instructional support throughout the pilot.

Transition Owosso Public Schools from NEOLA to Thrun Policies.

Recommendation:

Resolve that the Board of Education authorize the district to transition from NEOLA policy services to Thrun Law Firm policy services effective July 2025.

Facts/Statistics:

In October 2024, the Owosso Board of Education approved a transition from NEOLA to Thrun Law Firm for policy development and support. This decision marks the first comprehensive update to district policy in more than 20 years and reflects the district's commitment to legal compliance, operational clarity, and responsive governance.

Thrun Law Firm, a Michigan-based legal provider specializing exclusively in school law, offers policies that are specifically crafted to reflect Michigan legislation and case law. Unlike NEOLA's more generalized, national templates, Thrun's framework allows for greater customization to meet the specific needs of Owosso Public Schools. This flexibility supports more effective implementation and alignment with the district's unique priorities.

Beyond customization, Thrun brings deep legal expertise to the table. Their policies are drafted and regularly updated by practicing attorneys with intimate knowledge of the Michigan legislative landscape. This ensures our policies remain current, defensible, and actionable. While the initial cost is comparable to NEOLA's services, the long-term value in risk reduction and more precise legal guidance provides greater fiscal responsibility.

Another key advantage is Thrun's accessibility and responsiveness. As a Michigan-based firm with strong relationships across the state, Thrun is positioned to provide timely support and consultation, improving the district's ability to respond to evolving needs and questions.

The transition process has been thorough and collaborative. Since fall 2024, Thrun has conducted a full audit of current NEOLA policies and worked closely with central office staff, building administrators, and board members to conduct a policy-by-policy review.

This multi-month effort has resulted in a final draft policy package that is aligned with legal standards and operational realities.

The timeline for the transition includes an initial consultation and audit in October and November 2024, followed by drafting and collaborative review from December through May. In June 2025, the administration is presenting a recommendation for board action, with formal adoption and staff training to follow in July 2025.

This policy transition is a strategic investment in the future of Owosso Public Schools. By adopting Thrun's framework, the district will gain a legally sound, clearly written, and locally relevant policy system that will support strong governance and effective leadership for years to come. The administration recommends full adoption of the Thrun policy package.

2025-26 Student Handbooks

Recommendation:

Resolve that the Board of Education approve and adopt the revised 2025–2026 handbooks as presented for all listed schools within Owosso Public Schools. These handbooks are considered living documents and will be reviewed annually to ensure continued alignment with Board policy and current legal guidance.

- [Owosso High School](#)
- [Owosso Middle School](#)
- [Lincoln Alternative High School](#)
- [Owosso Elementary Schools](#)
- [Bentley Bright Beginnings](#)

Facts/Statistics:

This marks the first comprehensive update to the district’s student handbooks in over 20 years. Previous revisions were often site-specific and incremental, resulting in inconsistencies and outdated language. In preparation for the district’s full adoption of the Thrun model board policies in July 2025, it became essential to align all handbooks with these updated policies. District and building administrators worked collaboratively to merge building-specific content with Thrun’s recommended language, ensuring clarity, consistency, and compliance with current legal standards and district procedures.

Each administrator began by reviewing their existing handbook, which was then compared and integrated with the Thrun model. This process focused on aligning policies related to student rights, responsibilities, and disciplinary practices. Final drafts were reviewed by central office staff to ensure consistency across all schools.

Notable changes include clearly defined disciplinary procedures aligned with board policy, updated attendance and dress code expectations, revised academic honesty standards, and enhanced Title IX and nondiscrimination language. The handbooks also outline improved communication standards between families and schools.

Following board approval, the handbooks will be distributed electronically to all families and staff before the school year begins. Printed copies will be available upon request. Additionally, training and orientation sessions for staff and administrators will be held in August to ensure consistent and effective implementation district-wide.

Membership Resolution -- Michigan High School Athletic Association

Recommendation:

Resolve that the Board adopt the membership resolution of the Michigan High School Athletic Association for the year beginning August 1, 2025, through July 31, 2026.

Facts/Statistics:

The Michigan High School Athletic Association is a voluntary, nonprofit corporation comprised of public, private and parochial junior high/ middle and senior high schools whose Boards of Education/Governing Bodies have voluntarily applied for and received membership for and on behalf of their secondary schools. The association sponsors statewide tournaments and makes eligibility rules with respect to participation in such Michigan High School Athletic Association sponsored tournaments in the various sports. Each Board of Education/Governing Body that wishes to host or participate in such meets and tournaments must join the MHSAA and agree to abide by and enforce the MHSAA rules, regulations and qualifications concerning eligibility, game rules and tournament policies, procedures and schedules.

Rationale:

To obtain membership, it is necessary for the Board of Education/Governing Body to adopt the MHSAA resolution for its junior high/middle and senior high schools. A requirement for membership is a yearly membership renewal by member schools' Boards of Education. This resolution fulfills that requirement.

# Schools Which Are To Be MHSAA Members During 2025-26

**NOTE:** Pursuant to the MHSAA Constitution, all high schools, junior high/middle schools, or other schools of Michigan doing a grade of work corresponding to such schools, may become members of this organization provided (a) the school building has enrollment and onsite attendance of at least 15 students, whether for grades **6 through 8 or 9, grades 7 through 8 or 9, or grades 9 or 10 through 12**; and (b) if a nonpublic school, the school qualifies for federal income tax exemption as a not-for-profit organization. To reach the 15-student minimum for middle school membership, schools may join the MHSAA at the 6th-grade level whether or not 6th-grade students participate in athletics.

- A. This Section does not require school districts to become member schools at the junior high/middle school level and does not require school districts to sponsor any interscholastic athletics for 6th-grade students.
- B. If a school district's MHSAA Membership Resolution lists a junior high/middle school as an MHSAA member school, and if the school sponsors a 6th-grade team in any sport or permits a 6th-grade student to participate with 7th- and/or 8th-grade students in any sport, then all of Regulations III and IV apply to all 6th-graders in all sports involving 6th-graders on teams sponsored by that school. If the school does not allow any 6th-graders to participate in a sport, MHSAA rules do not apply in that sport.

Out-of-State Student Travel – OHS 2026 Choral experience in New York City, NY

Recommendation:

Resolve that the Board of Education approve the out-of-state travel for Owosso High School Choir students and teacher Claire Ingersoll on a trip to New York City, NY March 25-28, 2026.

Rationale:

Mrs. Ingersoll and approximately 50 OHS 9<sup>th</sup> – 12<sup>th</sup> grade students and chaperones will travel by Charter Bus for a vocal music experience in New York. Students will be accompanied by Mrs. Ingersoll and chaperones composed of OPS Staff/Parents. This is an enhancement to the Vocal Music curriculum and is a major extracurricular activity for the Vocal Music department for 2025-2026 school year.

Statement of Purpose:

The purpose of this trip is to provide our students with a global choral experience outside of the classroom. Students will be provided the opportunity to view Broadway performances and see many of the skills that we use in class daily in action. This will allow students to reflect not only what amazing things those performers are capable of, but what they personally are capable of as well. Students will also have the opportunity to visit the Staten Island Ferry, One World Observatory, the 9/11 Memorial/Museum, and explore the city.

Facts/Statistics:

This trip is sponsored by the OHS Vocal Music department. Students and Chaperones are responsible for all of the cost. Fundraising accounts (allowing for multi-year savings) are available to students to help differ costs. According to the current itinerary, chaperones and students will leave for the trip at 6:00 AM on Wednesday, March 25th, 2026. We will return

home on Saturday, March 28th, 2026. A parent meeting will take place before students go on the trip. Bob Rogers Travel is our trips organizer. Students were provided the opportunity to purchase trip insurance in case they are unable to attend.

Subject:

Out-of-State Student Travel – OHS 2025 SkillsUSA Washington Leadership Training Institute, Washington D.C.

Recommendation:

Resolve that the Board of Education approve the out-of-state travel for Owosso High School Engineering students, Paige Davis and Aubrey Boggs on a SkillsUSA MI supervised trip to Washington D.C. September 20 - 24, 2025.

Rationale:

Mrs. Danielle West, SkillsUSA MI State Director and her State Officer Team including two (2) OHS students, will travel by plane for the SkillsUSA Washington Leadership Training Institute in Washington D.C. Students will be accompanied by Mrs. West. This is an enhancement to the CTE curriculum and SkillsUSA program and is leadership building opportunity for the student.

Statement of Purpose:

The purpose of this trip is to provide the State's Student Officers with an opportunity for extended leadership training outside the classroom. SkillsUSA offers advanced training for students and advisors that focuses on professionalism, communication and leadership skills. This training is held in Washington, D.C., and allows members the opportunity to share their SkillsUSA and career and technical experiences with elected officials.

Students will be provided the opportunity to attend the national leadership training from September 20 – 24, 2025. The conference will allow students to experience networking opportunities with other students and advocate CTE with government and state officials. This will allow students to reflect on what they personally are capable of and the many options for their future. Students will also have the opportunity to visit some city attractions and landmarks as well as spend time exploring the city.

Facts/Statistics:

This trip is sponsored by OHS Career Technical Education (CTE) department. SkillsUSA Michigan is offering to pay for the majority of the trip for state officers. Students will be responsible for \$250 of the costs, plus any additional costs for food and entertainment not covered by the trip package. According to the current itinerary, chaperones and students will

leave for the trip from DTW airport on September 20th and will return September 24th, 2025.  
Parents and students are aware of the details of this trip.

Out-of-State Student Travel – OHS 2026 SkillsUSA National Leadership and Skills Conference – Atlanta, GA.

Recommendation:

Resolve that the Board of Education approve the out-of-state travel for Owosso High School SkillsUSA students, teacher (Carrie Warning) and possibly a parent chaperone on a trip to Atlanta, GA, June 1-6, 2026.

Rationale:

Approve travel for SkillsUSA members (OHS students) to travel by plane for the SkillsUSA National Leadership and Skills Conference in Atlanta, GA. Students will be accompanied by parent chaperones and one teacher. This is an enhancement to the CTE curriculum and is leadership building opportunity for the students.

Statement of Purpose:

The purpose of this trip is to provide our students with an opportunity for extended leadership training outside the classroom and to compete in national leadership skills contests. Students will be provided the opportunity to attend the national leadership conference from June 1-6, 2026. The conference will allow students to experience networking opportunities with other students and industry professionals as well as learn more about all of the programs and opportunities SkillsUSA has to offer. This will allow students to reflect on what they personally are capable of and the many options for their future. Students will also have the opportunity to visit some city attractions and landmarks as well as spend time exploring the city.

**OHS 2025/26 SkillsUSA state officers (if elected) will be attending and represent Michigan as national delegates, this year we hope to have competitive students attend the national conference from qualifying at the state leadership and skills conference in April 2026. We also hope to offer the trip to other SkillsUSA members who may wish to attend to develop their leadership skills.**

Facts/Statistics:

This trip is sponsored by OHS Career Technical Education (CTE) department. SkillsUSA Michigan is offering a package price for travel, hotel, registration and potentially other bonus

activities and meals. Qualifying students will be responsible \$250 (maximum) for package price, plus any additional for food and entertainment costs not covered by the trip package. NOTE: non-qualifying students will pay \$500 of the package price. Funding for the trip is being covered by 61a CTE added costs and CTE fundraising. According to the current itinerary, chaperones and students will leave for the trip on June 1<sup>st</sup> and will return June 6th, 2026. A parent letter will be sent home after the State conference, April 17-19, 2026 with trip details to each qualifying students, state officers, and other interested members.

Approval to purchase one 77-passenger stock gas bus during the 2025/2026 school year to replace an aging bus in the fleet, enhancing overall safety. Placing the order now would allow us to secure the bus more quickly, potentially reduce lead time, and help avoid anticipated cost increases.

Recommendation:

Be it resolved that the Board of Education authorizes the district to purchase one new 77-passenger bus for the 2025/2026 school year.

Facts/Statistics:

The District is in need of making sure that that the buses in the fleet are up to date for safety. To maintain the status of the current fleet at an economical cost, the following is being recommended:

- Purchase of one stock 77 passenger gas bus at a cost of \$142,424 using Holland bus company as the supplier of the bus.

Subject:

Approval of Course Listings 2025-26.

Recommendation:

Resolve that the Board of Education approve the course listings presented for the Middle School, High School and Lincoln High School for the 2025-26 school year.

Facts/Statistics:

Under the “Required Documentation” section of the Michigan Department of Education Pupil Accounting Manual is the indication of the following required documentation to be retained by the district:

“The school district's board of education shall adopt a list of approved courses. The list includes all courses offered by the district for credit or grade promotion and is used when determining which courses may be included in membership for state aid purposes, as well as for auditing purposes when examining the membership counted for state school aid on the count days. The list of approved courses must include traditional offerings and courses offered through other means, such as experiential or online learning opportunities.”

In addition, to the Pupil Accounting Manual, the requirement for such Board approval is contained within Board Policy 2220 “Adoption of Courses of Study” in compliance with Michigan Compiled Law. In the past this was done through the approval by the Board of Education of new classes that were being offered in the upcoming school year. In order to reflect all of the changes in the courses being offered at the secondary level, including Middle School, it was considered prudent to supply the Board of Education a complete listing of all of the courses being offered during the 2025-26 school year which is accompanying this Board report. All courses being offered have gone through the appropriate review to determine alignment with curriculum standards and provide assurance that the courses enhance the ability of the district to “provide for a comprehensive instructional program to serve the educational needs of the students of this district” as outlined in Board Policy 2220.

Subject:

Approval to Transfer Ownership of Hampton Avenue.

Recommendation:

Recommend that the Board of Education consider authorizing the transfer of ownership of Hampton Avenue (located in front of Bryant Elementary School) back to the City of Owosso through a quit claim deed.

Facts/Statistics:

During a recent audit conducted by the Michigan Department of Transportation (MDOT), the City of Owosso discovered that Hampton Avenue—the roadway directly in front of Bryant Elementary School—was officially deeded to Owosso Public Schools in 1949. This historical transfer of ownership had previously gone unnoticed by both the City and the school district.

To resolve the matter, the City of Owosso has proposed the following steps: conducting a formal survey of the property, filing a quit claim deed to transfer ownership of the street back to the City, and covering all costs associated with both the survey and the deed filing.

Should the Board of Education choose to retain ownership of Hampton Avenue, the district would become fully responsible for all ongoing maintenance, including snow removal, asphalt repair, and general upkeep of the roadway.

It is recommended that the Board support the City's proposal to transfer ownership back to the City of Owosso. Doing so would relieve the district of future liability and maintenance expenses, while ensuring continued public maintenance and services for this important access point to Bryant Elementary School.

Subject:

Tax Levy

Recommendation:

Resolve that the Board of Education approve the tax levy (L-4029) for 2025 as presented and as discussed during the Budget hearing at the regularly scheduled board meeting on June 25th.

Statement of Purpose/Issue:

The tax levy must be approved by the Board of Education prior to October 1, 2025 in order to be included on the December 1 (winter) tax roll.

Facts/Statistics:

The tax levy was discussed during the 2025 Budget Hearing as required under the Truth in Taxation legislation.

- The **operating millage** rate due to will **not** be subject to a “roll-back” due to the Millage Reduction Fraction (MRF) being calculated at 1.0000 for the Winter 2024 taxes. The MRF will be applied against the previously rolled back millage rate of 18.1020. Since the District may not, by law, levy a millage in excess of **18.0000 mills**, the District will still only levy the full 18 operating mills on eligible property.
- The **debt** levy assessment is also included on the L-4029 and is at a slightly reduced rate of **4.7000** in order to support the annual debt payment, down from the 4.7300 originally projected and levied for the last four years. The amount of the debt funds along with property tax values as of May 2023 were submitted to PFM for review and recalculation to assure that the millage meets the needs of the debt service. The PFM review concluded that the 4.7000 mills will be sufficient to cover the interest and principal payments due in May and November of 2026.

Due to fees assessed for summer tax collection, Owosso Public Schools does not levy taxes during the summer. This levy represents 100% of the taxes to be collected for the 2025 tax year.

\* Under Truth in Taxation, MCL Section 211.24e, the governing body may decide to levy a rate which will not exceed the maximum authorized rate allowed in column 9. The requirements of MCL 211.24e must be met prior to levying an operating levy which is larger than the base tax rate but not larger than the rate in column 9.

**\*\* IMPORTANT:** See instructions on page 2 regarding where to find the millage rate used in column (5).

## Instructions For Completing Form 614 (L-4029) 2025 Tax Rate Request, Millage Request Report To County Board Of Commissioners

These instructions are provided under MCL Sections 211.24e (truth in taxation), 211.34 (truth in county equalization and truth in assessing), 211.34d (Headlee), and 211.36 and 211.37 (apportionment).

**Column 1: Source.** Enter the source of each millage. For example, allocated millage, separate millage limitations voted, charter, approved extra-voted millage, public act number, etc. Do not include taxes levied on the Industrial Facilities Tax Roll.

**Column 2: Purpose of millage.** Examples are: operating, debt service, special assessments, school enhancement millage, sinking fund millage, etc. A local school district must separately list operating millages by whether they are levied against ALL PROPERTIES in the school district or against the NON-HOME group of properties. (See State Tax Commission Bulletin 2 of 2025 for more explanation.) A local school district may use the following abbreviations when completing Column 2: "Operating ALL" and "Operating NON-HOME". "Operating ALL" is short for "Operating millage to be levied on ALL PROPERTIES in the local school district" such as Supplemental (Hold Harmless) Millages and Building and Site Sinking Fund Millages. "Operating NON-HOME" is short for "Operating millage to be levied on ALL PROPERTIES EXCLUDING PRINCIPAL RESIDENCE, QUALIFIED AGRICULTURAL, QUALIFIED FOREST AND INDUSTRIAL PERSONAL PROPERTIES in the local school district" such as the 18 mills in a district which does not levy a Supplemental (Hold Harmless) Millage.

**Column 3: Date of Election.** Enter the month and year of the election for each millage authorized by direct voter approval.

**Column 4: Millage Authorized.** List the allocated rate, charter aggregate rate, extra-voted authorized before 1979, each separate rate authorized by voters after 1978, debt service rate, etc. (This rate is the rate before any reductions.)

**Column 5: 2024 Millage Rate Permanently Reduced by MCL 211.34d ("Headlee") Rollback.** Starting with taxes levied in 1994, the "Headlee" rollback permanently reduces the maximum rate or rates authorized by law or charter. The **2024** permanently reduced rate can be found in column 7 of the **2024** Form L-4029. For operating millage approved by the voters after April 30, 2024, enter the millage approved by the voters. For debt service or special assessments not subject to a millage reduction fraction, enter "NA" signifying "not applicable."

**Column 6: Current Year Millage Reduction Fraction.** List the millage reduction fraction certified by the county treasurer for the current year as calculated on Form 2166 (L-4034), *2025 Millage Reduction Fraction Calculations Worksheet*. The millage reduction fraction shall be rounded to four (4) decimal places. The current year millage reduction fraction shall not exceed 1.0000 for 2025 and future years. This prevents any increase or "roll up" of millage rates. Use

1.0000 for new millage approved by the voters after April 30, 2025. For debt service or special assessments not subject to a millage reduction fraction, enter 1.0000.

**Column 7: 2025 Millage Rate Permanently Reduced by MCL 211.34d ("Headlee") Rollback.** The number in column 7 is found by multiplying column 5 by column 6 on this 2025 Form L-4029. This rate must be rounded DOWN to 4 decimal places. (See STC Bulletin No. 11 of 1999, Supplemented by Letter of 6/7/2000.) For debt service or special assessments not subject to a millage reduction fraction, enter "NA" signifying "not applicable."

**Column 8: Section 211.34 Millage Rollback Fraction (Truth in Assessing or Truth in Equalization).** List the millage rollback fraction for 2025 for each millage which is an operating rate. Round this millage rollback fraction to 4 decimal places. Use 1.0000 for school districts, for special assessments and for bonded debt retirement levies. For counties, villages and authorities, enter the Truth in Equalization Rollback Fraction calculated on STC Form L-4034 as TOTAL TAXABLE VALUE BASED ON CEV FOR ALL CLASSES/TOTAL TAXABLE VALUE BASED ON SEV FOR ALL CLASSES. Use 1.0000 for an authority located in more than one county. For further information, see State Tax Commission Bulletin 2 of 2025. For townships and cities, enter the Truth in Assessing Rollback Fraction calculated on STC Form L-4034 as TOTAL TAXABLE VALUE BASED ON ASSESSED VALUE FOR ALL CLASSES/TOTAL TAXABLE VALUE BASED ON SEV FOR ALL CLASSES. The Section 211.34 Millage Rollback Fraction shall not exceed 1.0000.

**Column 9: Maximum Allowable Millage Levy.** Multiply column 7 (2025 Millage Rate Permanently Reduced by MCL 211.34d) by column 8 (Section 211.34 millage rollback fraction). Round the rate DOWN to 4 decimal places. (See STC Bulletin No. 11 of 1999, Supplemented by Letter of 6/7/2000.) For debt service or special assessments not subject to a millage reduction fraction, enter millage from Column 4.

**Column 10/Column 11: Millage Requested to be Levied.** Enter the tax rate approved by the unit of local government provided that the rate does not exceed the maximum allowable millage levy (column 9). A millage rate that exceeds the base tax rate (Truth in Taxation) cannot be requested unless the requirements of MCL 211.24e have been met. For further information, see State Tax Commission Bulletin 2 of 2025. A LOCAL School District which levies a Supplemental (Hold Harmless) Millage shall not levy a Supplemental Millage in excess of that allowed by MCL 380.1211(3). Please see the memo to assessors dated October 26, 2004, regarding the change in the collection date of certain county taxes.

**Column 12: Expiration Date of Millage.** Enter the month and year on which the millage will expire.

Subject:

Declaration of Obsolete Material

Recommendation:

Resolve that the Board of Education authorize the Owosso Public Schools Technology Department to officially declare (42) Brocade/Ruckus ICX 7250 network switched obsolete.

Facts/Statistics:

Pursuant to Board Policy #7300, “the Board shall direct the periodic review of all District property and authorize the disposition by sale, donation, trade, or discard of any property not required for school purposes,” the Technology Department has identified (42) Brocade/Ruckus switches as obsolete as they are no longer required. These switches were purchased during the 2018 round of ERATE and have been replaced as of last year.

Serial numbers of units can be found on the next page.

If approval is granted by the Board, these items will be made available for sale, allowing individuals or groups to place bids on it. Proceeds will be shown in the General Fund.

Memorandum of Understanding between the Owosso Public Schools District and the Shiawassee Family YMCA

Shiawassee Family YMCA and Owosso Public Schools entered into a partnership for after-school and before-school childcare on April 18, 2022, which is currently located at Emerson Elementary School. This service is also known as "The Learning Zone".

The agreement (attached) has been modified to continue through the 2025-2026 school year.

**Memorandum of Understanding  
between the  
Owosso Public Schools District  
and the  
Shiawassee Family YMCA**

**Re: After school child care**

The Owosso Public Schools and Shiawassee Family YMCA understand the need for after school childcare within the Owosso Public Schools community. The Owosso Public Schools has a facility use price guideline for community and non-profits when our facilities are utilized for after school activities. However, this agreement will alter the fee structure during the length of the agreement.

All provisions of the current facility pricing will continue in effect with the following amendments:

1. Shiawassee Family YMCA and Owosso Public Schools will enter into a partnership for after school child care since April 18, 2022 at Emerson Elementary and will continue for the 2025-2026 school year.
2. All students that attend the after-school childcare must be registered with the Owosso Public Schools.
3. The "Learning Zone" child care program will be fully licensed by the State of Michigan. Owosso Public Schools will assist with documentation but all costs associated with licensing will be paid by Shiawassee Family YMCA.
4. The district will allow the program to utilize Emerson gymnasium, multi-purpose room, band room, and playground between the hours of 3:45 p.m. and 6:30 p.m. The "Learning Zone" will not host child care during days when school is not in session, scheduled half-days or when school is cancelled because of weather.
5. Facility fee will be 80/20 of total revenue collected from Owosso Public School families including subsidized fees covered by government grant or childcare assistance. 80%-YMCA, 20%-Owosso Public Schools. Documentation of attendance will occur on a daily basis. Fees collected during this time will be paid by June 14, 2026.
6. All staff members will adhere to hiring practices of the Owosso Public Schools including background and fingerprint screening. All fees will be paid by employee or Shiawassee Family YMCA.
7. All salaries and signing bonuses will be paid by the Shiawassee Family YMCA.

8. The district will allow students registered into the after-school program to utilize district transportation to Emerson Elementary School. No transportation will be provided at the conclusion of the child care program each evening. Transportation will only occur between elementary school

and Emerson Elementary. Students have the privilege of district transportation and must follow rules and expectations. The Transportation Director has the authority to revoke transportation privileges.

9. The Owosso Public Schools Food Service Department will provide after school snacks at no additional charge providing that proper paperwork is submitted on a daily basis that is consistent of the federal snack program.

10. Shiawassee Family YMCA will provide 100% supervision of all students that are enrolled in the program and adhere to adult/student ratios that are required by child care licensing requirements.

11. Any damage to Owosso Public Schools equipment or facilities should be reported to the building administrator. After an investigation, additional fees could be assessed to the Shiawassee Family YMCA.

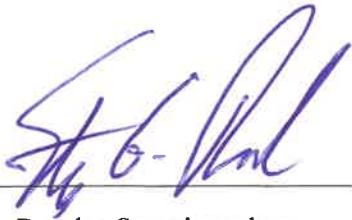

12. Shiawassee Family YMCA will provide all equipment and cleaning supplies unless permission is given by building administrator.

13. The Shiawassee Family YMCA will carry an additional insurance coverage for this program and add Owosso Public Schools to the policy. Shiawassee Family YMCA will assume all liability for child care program.

14. Any injuries sustained by any participant or staff of the program sustained in conjunction with the after-school program will fully be the responsibility of the YMCA with the exception of any willful negligence on the part of the district.

15. Summer hours will begin June 10, 2025 from 7:00am-6:00pm daily for daycare.

This agreement will expire 7 days prior to the start of the 2026-2027 school year which will be determined by the county calendar through RESD.

The purpose of the Emergency Operations Plan for Owosso Public Schools is to reduce the risk to life and health and promote the safety of students, staff, parents, county employees, visitors, and emergency services personnel. This plan sets forth the procedures and planning guidelines for responding to an incident within the School District. Use of this plan should be coordinated with local responding agencies and personnel. It is imperative that district employees work in conjunction with and assist emergency response personnel as directed or instructed. The Emergency Operations Plan was created by the District's Homeland Security expert, Mr. Tom Mynsberge and tailored to each of the districts in Shiawassee County.
