Spotlight on New Milford Schools

Volume 12, Issue 12

June 2022

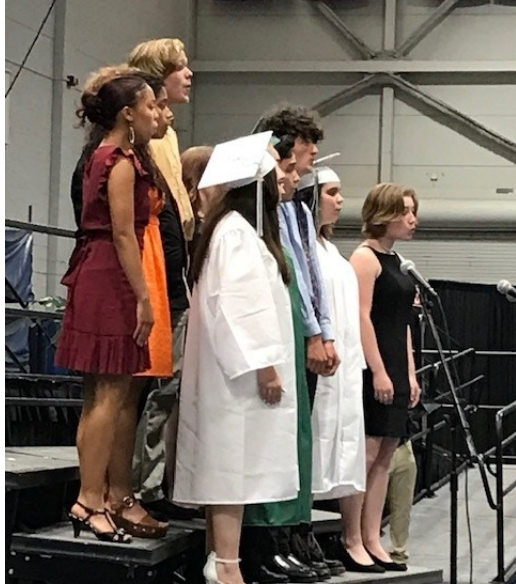

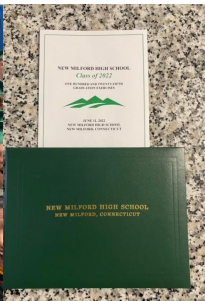

Congratulations Class of 2022!

On Saturday, June 11, 2022, the New Milford community proudly recognized 294 graduates of the Class of 2022 in graduation ceremonies at Western CT State University's O'Neill Center. NMPS staff, their family and friends were honored to join the graduates in celebration.

In his speech to graduates, NMHS Principal Ray Manka said the Class of 2022 is like no other class in the history of New Milford High School. "You spent your time struggling through the pandemic, then returned to in-person learning, welcoming NMHS, and all of its students, back to our classrooms. Our Class of 2022 was a constant and steady presence acting as role models for our younger students. Student representatives worked tirelessly to lobby for returning privileges, functions, and events and did an outstanding job to ensure that the events returned and lived up to the stated expectations. Your leadership, energy, enthusiasm, support, care and compassion for one another was evident."

Superintendent Alisha DiCorpo also praised the Class. "I am honored to recognize and celebrate the collective and individual academic accomplishments of the Class of 2022 and the perseverance you've demonstrated. Kerry Washington once said, 'Your life is your story and the adventure ahead of you is the journey to fulfill your own purpose and potential.' As you look to the future, call on your past experiences as a reminder to yourself that you are strong, you are intelligent, and you have what it takes to succeed at whatever you put your mind to. Most importantly, always be hopeful and remain positive; and remember the best is yet to come."

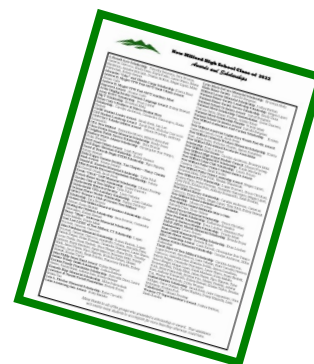

Best wishes in all your future endeavors!

Congratulations!
