

PAC Meeting Minutes

May 3, 2022

4 pm via Zoom

1. Welcome – Teachers, administrators, classified staff and parents all introduced themselves.
2. Local Indicators were reviewed and discussed. Boxes marked N/A are due to the state not yet providing downloaded information. NGSS texts were updated at the high school for the last department. (Note a 5 in progress for instructional materials.) There was a slight decrease in students feeling safe at school. Masks and the pandemic were discussed. A survey question was added for students asking if their culture is celebrated at school. This will be an area of focus.
3. Budget Overview for Parents – Michelle Harmon explained the different components of the BOP.
4. Supplement to the Annual Update – This was previously discussed and approved by the board earlier in the year. It was included as part of the entire document.
5. LCAP – Successes were shared and needs reviewed. Goals and actions remain largely the same. CTE has been further developed throughout the LCAP. All changes were reviewed as per the last box at the end of each goal. Data for specific student groups (English Learner and socio-economically disadvantaged) was added to the A-G metric. The 3-year plan for English

Learners was update, and the initial 3-year plan is still in the document to show progress. There were no further questions.

6. Other: Upcoming events were shared.

a. Summer School (June 1-29)

B. Art Show at SJCOE, May 9, 6:30-8:00
