

May 1st School Board Meeting Highlights

Alvord ISD Family:

I have some highlights for you from the May 1, 2023 called school board meeting.

The board approved NAE Contracting as the construction manager for the Ag Shop addition project. The project will add 2,000 square feet to the High School Ag Shop. The total projected cost is \$335,423 which includes a fire alarm system, renovated bathrooms in the existing Ag Shop, and architect fees. We hope to get the majority of the work done during the summer but the work may continue into the beginning of next school year.

Nathan Alling was approved a new assistant football coach. His teaching assignment and other coaching assignments are yet to be determined. Coach Alling is currently an assistant coach at Pilot Point High School,

Randy Brown
Alvord ISD Superintendent
