Is that pictured play system in the RFP the only equipment getting removed?

Yes the image under, "Picture of area:" is the structure being removed.

I've got the EWF (Engineered Wood Fiber) mulch covered as ADA-approved safety surfacing, but could you please confirm if you'd also like new borders/accessibility ramps.

Yes we'd like those quoted in the proposal so we can consider them if our funds allow for it.

Can we dump the spoils (the dirt and wood chips, not the play structure or PVC) that we have to remove in the NW corner of the field that the playground is in?

No.

Can you please send me a copy of your tax-exempt form?

Sure, please email sduff@furLOWcharter.org to request one.
