Course Description:

Web Design is the third course in the Web & Digital Design pathway in the Information Technology cluster. Students enrolled in this course should have successfully completed Introduction to Digital Technology and Digital Design. Taking this course will equip students will the ability to plan, design, and create a web site. Students will move past learning how to write code and progress to designing a professional looking web site using graphical authoring tools that contains multimedia elements.

Independent/Virtual Learning

Teams and Edgenuity are the primary learning platforms we will use for this course. Students are expected to log into the platforms and work independently on coursework. Guidance and support will be provided by the instructor.
Teams and Edgenuity is where you will find lessons, assignments, class recordings, and other resources.

Class Meeting Norms/Expectations:
1. Arrive to class on time.
2. Be respectful of the learning environment.
3. Be an active participant in the lessons.
4. Listen and follow directions the first time.
5. Complete and submit your assignments on time.
6. **Respect yourself, your teacher, and each other.**

Late/Make-up Work Policy

Late Work: Students may submit late work with a penalty of 10 points per day, with a cap on the assignment of 70%. This does not guarantee a grade of 70 after the work is evaluated.

Make-Up Work: It is the expectation of TCSD that all work missed due to any absence will be made-up. Some work by its very nature is impossible to make-up and may necessitate alternative assignments. The Principal or designee will be the final authority in determining alternative assignments. The responsibility for arranging to complete work missed is to be assumed by the student and parent/guardian in conjunction with the teacher. Make-up work is to be completed at the time specified by the teacher/Principal. The time limit is not to exceed 10 school days. Exceptions will be decided with input from the parent/guardian, student, teacher and Principal, with the Principal having the final decision.

Academic Honesty: The expectation of the Taliaferro County School is for all students to be honest and responsible. Cases of plagiarism and cheating will not be tolerated and will result in a grade of zero.

Assessments/Grading: Progress reports are issued every 4 ½ weeks. Report cards will be sent out at the end of each 9-week marking period and at the end of the semester. There will be a variety of formative and summative assessments as well as a daily class participation grade.

Formative Assessments: 60%
(Daily work includes class work, warmups, class participation, and, quizzes.)

Summative Assessments: 40%
(Major work includes presentations, projects, and test.)

Grading Scale:
A= 90-100%
B= 80-89%
C= 70-70%
F= 0-69%

Please note the teacher reserves the right to make adjustments in course content and/or grading procedures as needed.
