First Grade Nature Walk at the Closter Nature Center

On Tuesday, May 13th, our first-grade students had the opportunity to visit the Closter Nature Center for a guided tour with Mr. Marc. He introduced the students to local plants and animals, sharing interesting facts about the area's ecosystem. The students also got to see some of the animals Mr. Marc cares for at the Nature Center. It was a wonderful hands-on learning experience!

Field Day at CRS

We were lucky to have beautiful weather on Monday, May 19th, for our CRS Field Day! Our preschool students enjoyed the morning playing a variety of outdoor games, and they had an absolute blast. After lunch, our kindergarten and first-grade students joined in on the fun, competing in games they had practiced during gym class. It was a joyful day filled with laughter, energy, and friendship. Everyone had a fantastic time!

Dear CRS and LLE Families,

Please read the important information below:

Congratulations to all of our 5K participants. I would like to extend my appreciation and gratitude to the PTO, especially Mrs. Shyong, who helped organize the Principal's Challenge as well as the 5K. The weather was perfect and it was a true Demarest community gathering where those in attendance came together to help support our students. It was wonderful to see so many of our families show up and partake in this annual event. I would also like to recognize our top participants from CRS and LLE.
