August 31, 2022

I am excited to welcome back everyone for the start of the New Year and hope everyone had an enjoyable summer. A special welcome to the families who are new to the Paulsboro School District. We are happy to serve you and your children beginning the first day of school Tuesday, September 6, 2022.

Due to community support and the financial support from many of our federal and state grants, we have been able to continue many of our upgrades to our facilities this summer. The high school has received new network wiring, additional security cameras have been installed in all of our buildings along with major security upgrades.

We will continue to make effective use of our capital funds to accommodate the needs of our students and the community.

We are excited to hire 30 new staff members to our district. We welcome 17 Teachers, 10 Classroom Aides and 3 Hall Monitors. In addition, we are super excited for the return of Mrs. Monica Moore-Cook as the Principal of Paulsboro Junior High School.

By the end of the school year, the plan is to have air conditioning in all of our schools' auditoriums and cafeterias. In addition, upgraded security features of installing security vestibules at each of our schools and trained security officers will provide our staff and students with another layer of protection to keep them safe from any possible intruders.

We are excited to announce curriculum updates in our English Language Arts and Business Education departments for grades 7-12 as well as our World Language and Health and Physical Education programs for grades K-12. The goal of these revisions is to ensure the curricula expectations for the District are rigorous, relevant and consistent with the New Jersey Student Learning Standards. Both online and paper resources have been purchased in these areas. These current, accurate, content and age appropriate resources will aid in delivering instruction that is aligned to the curriculum and meets the individual needs of all children.

As always, we look forward to continuing our robust extracurricular activities for 2022-2023 school year.

Please feel free to join us for student events throughout the school year.

We encourage you to follow us on our District Website, Facebook and Twitter for the latest information concerning our news and updates. In closing, thank you for your tremendous support of our schools....

GO BIG RED!!

Dr. Roy J. Dawson III, Superintendent

MISSION STATEMENT

The mission of the Paulsboro School District is to work with students, parents, educators, and community to develop excellence in education while preparing each student to be viable and productive citizens in society. Our goal is to develop the unique potential of the whole student by creating a challenging and diverse learning climate that prepares students for the 21st Century and is rich in tradition and pride.
