Welcome Back!

Our school year began on Tuesday, September 2nd where we were all greeted with a warm welcome from the PTO. Our students and staff are busy getting back into a routine. We look forward to an exciting school year!

Tips To Start The School Year Off Right

- Ensure a good night's sleep and start the day with a healthy breakfast.
- Before school, make sure your child has everything they need and knows their after-school plan.
- Set up a quiet, distraction-free homework space.
- Pack the backpack and choose clothes the night before.

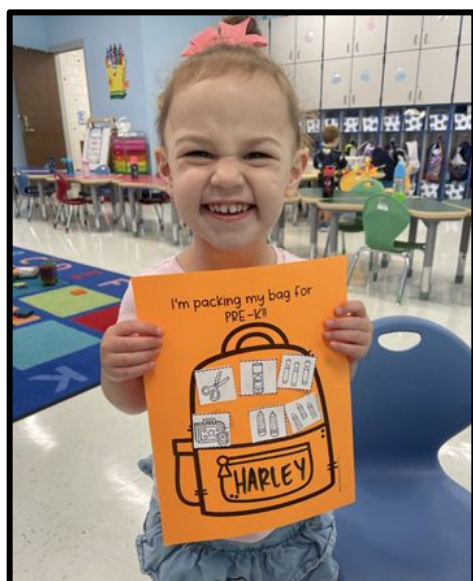

Spotlight on Preschool

Our littlest learners have been busy learning and playing with their new friends! Our first unit, "Welcome to Curiosity Corner," allowed us to learn about school and routines in our classrooms.

Preschoolers were introduced to our curriculum's mascot, Curiosity the Cat. Our days have been filled with circle time activities, story time, play centers, snack/lunch, learning lab activities, outdoor play, and rest time. We are off to a great start here in the D.E.L. program!!

Dear CRS and LLE Families,

We have now completed our first week of school. It has been great seeing the students enjoy getting into the full swing of another academic year.

Please read and click on the information where applicable.

- **Student Walker** - Many of our LLE students have started walking home or wherever they are meeting the person who picks them up. I am asking that all parents/guardians speak to their children who walk about the following topics. This is something that we reviewed with them on the first day of school
 - Pay attention to the directions of the crossing guards
 - Do not run and stay on the sidewalks or near the curb
 - Touching, pushing or speaking unkindly while walking is not permitted
 - Do not speak to strangers
 - Be mindful of not walking on our neighbors properties
- **Tardy/Absence** - I ask that everyone take a moment and read through the letter regarding this topic. It is vital that we are all on the same page so that students are present and on time. Click [here](#) to view the letter.
- **Student Belongings** - It is common for students to misplace their belongings such as water bottles, lunch boxes and apparel. The lost and found bins are starting to fill up. Please help with this by labeling your child's items.
- **Back to School Night** - We look forward to welcoming our LLE families on 9/18. The doors, at the main entrance only, will open at 6:15. We will start in the gym at 6:30.
