Audience	Districts should select 2-3 participants who can make or influence decisions on AI integration and ensure that learning from this series informs district practice and policy. These participants should be supported in consistent attendance in this year-long series.
Description	This kickoff session launches a yearlong, eight-part professional learning series on AI integration developed in partnership with Michigan Virtual. Participants will be introduced to the Michigan Virtual AI Integration Framework, explore current AI trends, and consider ethical and practical applications for education. As the first in a connected sequence of sessions, this learning is designed to build momentum across the year. As such, districts should plan for consistent participation in this series.
Registration	Deadline to register is October 23, 2025 Register online at www.huronisd.org, Professional Development link. Checks payable to Huron ISD or pay online with a credit card.
Questions	Contact Amanda Sulkowski at (989) 269-6406 or asulkowski@huronisd.org with registration questions. Contact Steve Carlson at scarlson@huronisd.org regarding session content.
