Notes from the Superintendent

The first semester of classes of the 2022-23 school year has been completed. Report cards were distributed to the students on January 6, 2023, and we hope you have had the opportunity to review and discuss your student's report card. It is vital that students approach their studies seriously so that they do not fall behind academically. I also encourage parents to monitor your child's progress closely and that you communicate regularly with their teachers. Parents who have concerns are strongly encouraged to contact their child's teacher and arrange a conference.

Parenting is a tough job, and we are fortunate that the vast majority of the parents in our district do an outstanding job encouraging and supporting their children academically and behaviorally. However, if you ever need support our county is part of the All Our Kids Early Childhood Network which provides the following services: parenting programs, concrete support, social/emotional counseling, and several other training programs. If you would like to access these services call 815-599-8411.

One-way parents can facilitate academic success is to provide consistent structure to your child's day and to strictly enforce a curfew. K-5 students should be in bed by no later than 9:00 P.M. on a regular basis, 6-8 should be in bed by 9:30 P.M. and high school students should be in bed by 10:00 P.M. on weekdays. We also strongly advise parents to not allow your child to have electronics or their phone in their bedroom at night. Phones at night can be a distraction and open the door to social media drama. Finally, I encourage parents to make sure that your child has a nutritious breakfast every day or take advantage of our breakfast program here at school. These simple things can make a huge difference in how your child performs at school.

Sincerely, Tim J. Schurman, Superintendent

COUNSELOR’S CORNER

High school students and incoming freshmen should have chosen their classes through Teacher Ease. Each student has received the curriculum guide via email if they need to look up a course description. Parents, please talk with your student to make sure they have picked their classes through Teacher Ease and do not hesitate to call or email me if you have any questions regarding this process.

Seniors: I have been emailing all scholarships as I receive them. Please make sure you are checking deadlines, as a lot of them have dates that are approaching quickly. I have already met with the seniors regarding the local scholarship, and the deadline to turn this in is Wednesday, February 15.

Juniors will be taking a practice SAT on Thursday, February 16. Please try to be here that day. The actual SAT will be administered on April 12. There will be more information to follow as it gets closer.

CARROLL COUNTY PRE-SCHOOL SCREENING

Pre-school screenings for Carroll County residents will be held at the Carroll County Early Childhood Center at Chadwick School, 19 School Street, Chadwick, IL on Monday, February 6th and Tuesday, February 7th from 8:00 a.m. to 6:30 p.m.

Ages 3 through 5 Years – Screenings continue to be available for children of ages 3-5 years. Based upon screening results, they may be eligible for a free preschool.

At the time of the screening you will be asked to answer some questions about your child’s development. Any written information that you have, such as, a baby book, immunization records, health history, etc., will be helpful in answering some of these questions.

Your child will be asked to do some activities such as stacking blocks, drawing, jumping, etc., to see how he/she is developing. A speech and language check will be made, and a nurse will give a vision and hearing screening.

After the screenings have been completed, you will receive a verbal feedback on how your child performed on the screening.

Age 5 Years before September 1, 2023 – children who will be five years of age on or before September 1, 2023, are eligible to register for Kindergarten at a later date. At that time, parents will be requested to bring the child’s original or notarized birth certificate (not hospital certificate) and immunization records. It would be helpful to bring the phone numbers of the child’s dentist, doctor, and a person to call in case of emergency.

To make an appointment for preschool screening please call Lynn Frank at #815-273-7532. If you do not have any pre-school children in your home, please give this information to someone who may not be aware of our pre-school screening.

Congratulations to the winners of the Chadwick-Milledgeville District Spelling Bee! 1st Place – Alexa Hutchison, 2nd Place – Easton Ottens, 3rd Place – Freeman Schluter. Alexa and Easton will be competing in the Regional Spelling Bee on February 14th.
