The

POWER

of...

One. What does it mean to you? Does it help you know the answers to that Chemistry quiz? Does it make you score the winning point in the game? Does it ensure you the best friends anyone can have? Actually, one can mean many things, and this year, what one truly means is our last time to walk side-by-side in the hallways....our last chance to yell: "Jet Pride" with 2000 other students....our last year as a whole. We chose the theme: "The Power of One" to show how much this year has meant to the students and faculty of CCHS' last year undivided. The school year of 2005-2006 has been one to remember....from the return of the infamous Coach "Rock," to the Lady Jets Basketball team becoming number one in the state. From the Senior class spelling out "Community Of Character" on the football field, to adopting a new principal at the end of the year. For forty-two years, CCHS has been the only high school...a variety of students have come and gone....and this year, we are all leaving knowing that we have made our mark. We are the students who experienced the last year of CCHS....together....as ONE. For years to come....students who carry on their education here at CCHS and those who go on to lead different lives....will all remember the wonderful times they shared here at the...ONE...the only...CCHS.

It will be tough not seeing each other on a day to day basis, but we know we will be friends for life."

-Seniors Jessica

"The past four years of high school have absolutely flown by. I can't believe that it's over already. These four years have been full of great memories and one of the best is being valedictorian. I have to say thanks to my friends, family, and teachers who have helped me accomplish this. Without everyone's support and encouragement, there is no possible way I could have done this. It is a major accomplishment and such an honor. During the past four years, I have met some amazing people. I've made some great friends who are always there for me, and I have had some absolutely brilliant teachers. All of these people are part of my wonderful memories from here at CCHS and I thank them for that. I wish everyone the best of luck in everything that you do."

Valedictorian Whitney Isaacson

# ....DERFUL

"Wow, what an experience these past few years have been! This roller coaster ride we call high school-full of ups and downs, wins and losses, good times and bad-has taught me so much. I have been fortunate to have some amazing teachers, supportive friends, and a loving family there along the way. Their presence has been significantly influential in forming the person I have and will become, and for this I will always be grateful.

I am honored to be the salutatorian of the class of 2006. May you all achieve success and happiness in the future, never forgetting the lessons of the past."

# ACADEMICS

A photograph of two students, a young woman on the left and a young man on the right, in a laboratory setting. Both are wearing clear safety goggles with white circular markers on the temples. The young man is also wearing yellow nitrile gloves and is using a pair of surgical scissors to dissect a small, light-colored animal, possibly a frog, which is lying on a blue surface inside a metal tray. The young woman is looking on intently. The background shows a typical lab environment with wooden cabinets and various items on a shelf.

"My angel"  
Christa Standefer

"Christa, you're a very special gift from God. I have watched you grow from "mommy's little angel" to a beautiful young lady; who exemplifies the essence of a Christian walk with God. I am so very proud of you and all that you stand for, and all the goals you have made and met. Continue to always put God first, He will bless you immensely. I am so blessed to have you and I am honored to call you my daughter! Remember, I will always love you and be your number one fan. No matter how long the road is between us, I will always have open arms waiting for you. Now, it is time to go and spread your wings and show the world what a special gift you have in store for them."

Love Mom & Bud

But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint. Isaiah 40:31

"My Adopted Angel"  
Brittany Boswell

"Brittany, I am so proud God chose you for my daughter's best friend. you are a very special young lady and deserve the best life has to offer. May the miles never separate your and Christa's friendship. You're not only my daughter's best friend, but I count you as my friend as well. What blessings God has given this family for having put you in our lives. I admire you for standing up for your beliefs as well. As you enter into your adult life continue to put God first in your life as you do now, and he will bless you immeasurably. I love you and thank

God for you."

Class  
of  
2006

When the last student crosses the platform and receives their diploma as a member of the Class of 2006, it will be the end of an era which dates back to the 1962-63 school year. For the past forty-four years, Cumberland County High School has been the only high school in the county. CCHS has grown, and will continue to grow, based on the legacy of the students who have walked her halls. The students at Cumberland County High School have seen the expectations and standards rise, as we, the faculty and staff of Cumberland County High School strive to see our students have the opportunity to lead and partake in the future accomplishments of this generation.

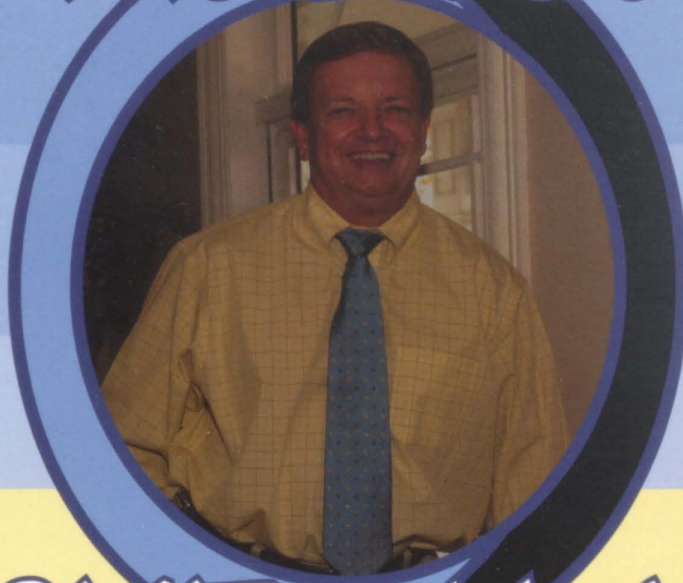

However, you as a student, have already begun to leave your mark on Cumberland County High School. You have begun to develop the pattern

for future milestones in your life, through your studies and your dreams. As a young freshman you began to take strides to become a successful high school student. As emerging sophomores you were following the path of other successful high school students. As maturing juniors you began to show your confidence in thinking and developing correct solutions. Finally, your travels have led you to your senior year in high school, a place where you are making your marks and fashioning your future! Education is the key to your future, the future of our county and the future of our nation. I encourage you to reach out and accept your key to a successful future through education.

I would like to wish each of you well in your life endeavors. I know you will represent yourself, your family, your community and Cumberland County High School with pride, dignity and honor. It has been my pleasure and honor to have been your principal.

Roger Eichelberger  
2005 Principal  
Cumberland County High School

# The Best

# ONEs Yet...

Chances are you have read or had read to you Dr. Seuss' guide to life, "Oh, The Places You'll Go". This is one of my favorite books which reminds me each time I read or hear it of the wonderful opportunities in store for each of you.

Dr. Seuss reminds us-

"You have brains in your head.

You have feet in your shoes.

You can steer yourself.

any direction you choose..."

And YOU are the guy who'll decide where to go."

He reminds us in this book that there will be bang-ups, hang-ups, and bumps in the road. He also tells us that some of you will find unmarked streets, and darkened windows but with brains in your head and feet in your shoes you will find your way. The years you have spent at CCHS have helped provide a means to navigate in the places you'll go.

You are a part of the history of Cumberland County High School. I could think of no better way to put value in our school and your role here than Sharon Creech's expression in her book, "A Fine, Fine school"- your principal loves this school. Every day I stroll these hallways and see students learning and teachers teaching. I can say with certainty, "Aren't these fine children? Aren't these fine teachers? Isn't this a fine, fine school?"

Thank you for your role in making this a fine school and may you remember this year at CCHS as the best. Thank you for welcoming me as a principal of this fine, fine school.

Janet Graham  
2006 Principal  
Cumberland County High School

# One Last Word...

**Pictured Here:  
The "Saturday  
Staff"**

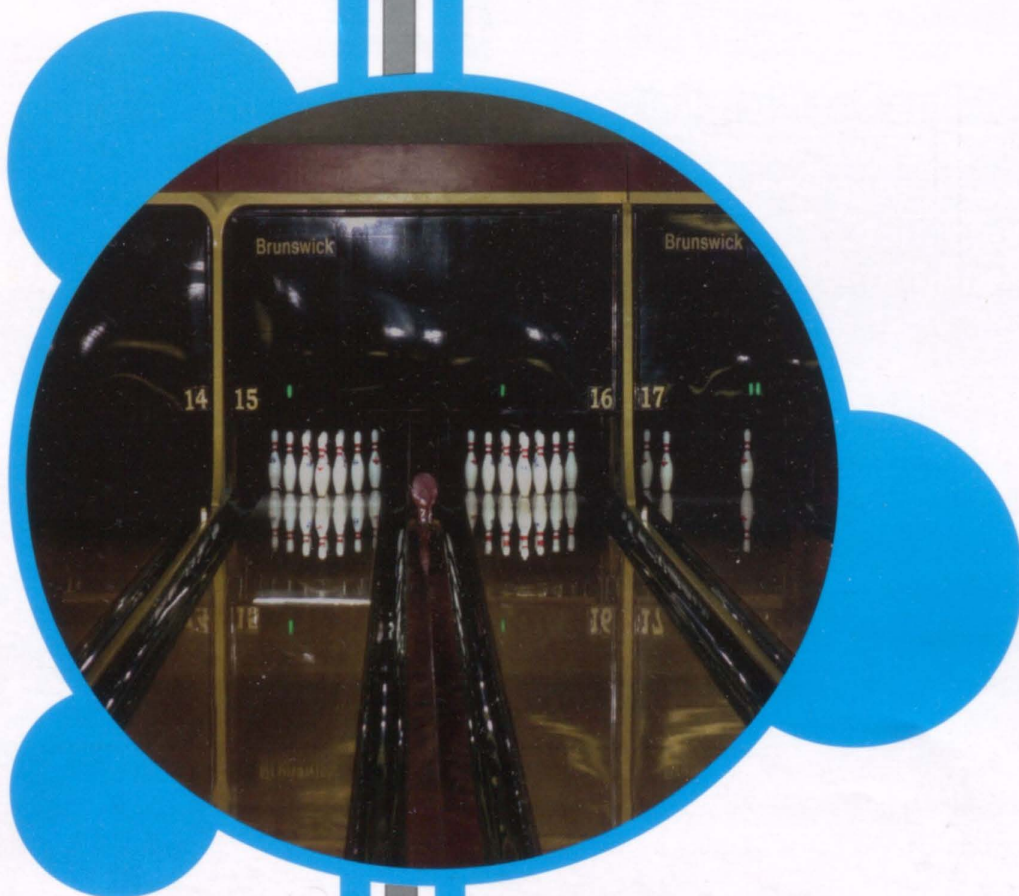

**This year's yearbook has been a rollercoaster ride! Had it not have been for the following people, we would still be stuck on the track... The yearbook staff would like to thank Mr. Sanderson for his contributions to the "Oh crap, I don't have a picture for that!" fund, the teachers who let us interrupt thier class and those who, ahem, politely turned us down. Also, those teachers who were gracious enough to allow the staff out of class to slave away extra hours. The staff would like to thank the Administration, especially Coach "Rock", for his inspirational speeches and motivational songs. Thank you to the club sponsors for making sure that pictures were taken on the AMAZING disposable cameras. More importantly, the staff would like to thank Mr. E and Mrs. Graham for their tear-jerking speeches on the previous page.**

**Finally, the staff would like to thank the snack machines for their help in refueling us, along with Cancun. Thank you to the I.D. badges which let us walk by "Inman" without being stopped (most of the time).**

**In all seriousness, thank you everyone who helped produce the 2005-2006 yearbook, and those who really cared. We hope you enjoy our hard work, and remember, there is sweat, blood, and even tears in these pages....**

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

### 

- 25 Hurricane Katrina strikes Florida.
- 28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.
- 29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breached, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.
- 31 President Bush surveys the damage.

### 

- 1 30,000 National Guard troops are deployed. Gas prices spike to as high as \$5 per gallon.
- 2 President Bush visits Louisiana and signs a \$10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.
- 4 The New Orleans Superdome is evacuated.
- 6 President Bush and Congress pledge to investigate the flawed disaster response.
- 9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.
- 12 Michael Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.
- 14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.
- 15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.
- 20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.
- 22 Rita hits the Louisiana coast and heads for Texas.
- 23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.

### 

- 24 Hurricane Wilma hits southwest Florida.

Thousands of Louisiana evacuees receive shelter and medical care in the Astrodome in Houston, Texas.

Homes across the country are opened to families left homeless in the wake of Hurricane Katrina.

Thousands of volunteers help Habitat for Humanity rebuild homes in Louisiana, Mississippi and Alabama.

Louisiana Governor Kathleen Blanco, President Bush and New Orleans Mayor Ray Nagin survey the damage in New Orleans.

Many animals left behind during evacuation are rescued and given shelter or reunited with their owners.

**POWER**

As this year ends and we close another door,  
another one is opening. One that is not easy to  
see, or is it? New opportunities are sometimes  
harder to grasp and sometimes we are blinded  
by the choices that proved to be wrong. This  
is our last year as "one" and that is not a bad  
thing. This is a time for us to stop and think  
about all the adventures that lie ahead of us.  
Change is part of life and it is the underlying  
theme of this book. Things do not always go  
as planned. There is a reason for everything.  
So, as we go our separate ways as departing  
Seniors or underclassmen headed to one school  
or the other, we ask that you look back on the  
2005-2006 school year and always remember  
"The Power of One"!
