Mrs. Jamie Dickson

Absent:

Mrs. Jessica Black
Mr. Anthony Lunceford

Call to Order at 7:30AM – Dr. Harrell
Pledge of Allegiance – Dr. Harrell

Recognition of Visitors – None

Report of Principal:

- MAP data- very pleased with scores. Learning continuum helps teachers find individual student gap and close them. An area of concern would be 65% growth. Our lowest was 2nd grade math at 78% growth. Met with teachers and discussed next steps for growth.
- Each child will receive a laptop in grades 1-12. 2-5 gets to take them home. K will get iPads to leave at school. They will use these for researched-based products. A notification will be sent out to let parents know when the laptops will be distributed and when the consent form needs to be signed.
- Students will have 2 days of virtual learning during the 2022-2023 school year.
- COVID numbers were elevated at the beginning of the year and settled back down after a few weeks. We noticed after Christmas break we had some elevated numbers, but they seem to be slowing again.
- The district needs more subs. If you know of anyone that would be interested, please have them apply.
- We have had concerns with parents parking across the street from the school at dismissal time. This is a safety issue for the students.
- We are excited about having an in-person talent show this March. March 4, 2022

Additional comments/concerns

- No one had questions or concerns
- Adjournment Motioned- Dr. Harrell
2nd- Mr. Dukes

Meeting adjourned at 7:50 am
