## 2nd Grade Valentine's Day

February 13th

**Allowed** : Valentine's cards for whole class (23 students)

**Not allowed:** candy or food

## What are we learning?

### Math

\*\*The Highly Proficient student can measure the length, mass and capacity of an object using appropriate metric tools.

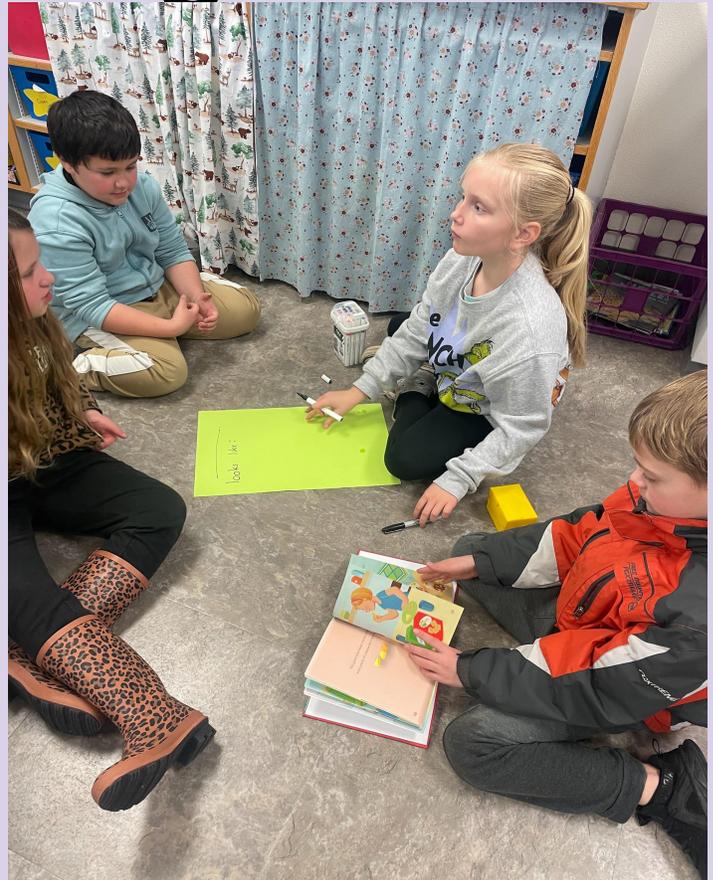

\*\*The Highly Proficient student can solve addition and subtraction word problems for an unknown number involving same units of measurement.

### ELA

\*\*The Highly Proficient student can retell stories from diverse cultures, determine their central message and write a fable that includes a cultural concept.

\*\*The Highly Proficient student can compare and contrast two or more versions of the same story by different authors or from different cultures.

# We are Better Together!

In Second grade we love to do projects and work in groups. Here we are learning about 3D shapes and their attributes using reference books from the library and hands-on materials. Groups worked together to create posters we could all use as a class. Students learn to share the load of big projects, solve conflicts, and build confidence.

## Souper Bowl Time!

Annual food drive at TES

February 2-February 6th

\*\*Please send non-perishable items or toiletries with your child to add to our Trojan food pantry and Troy Food Bank
