## A Note To You

Hello Families,  
We have a super busy month, filled with lots of exciting activities. Take a look at our upcoming dates. Save the upcoming dates form that is in your folder today.  
On Tuesday of this week, we will have our spring concert at 6:30 at the Deary School. Before the concert, Bovill Elementary students will rehearse in Deary and be released from the Deary school. Students who live in Bovill will arrive around 3:40 on buses. Please let me know of any pickup changes you'll be making beforehand so that I can plan accordingly.  
Mrs. Summerfield

## Practice At Home

- ❖ Read and write together!
- ❖ Read and solve word problems to add and subtract
- ❖ Practice spelling patterns.
- ❖ Read OUT LOUD to improve reading fluency.
- ❖ Collect data from family members and create graphs - circle graphs, line graphs, bar graphs
- ❖ I've included a grade-level reading passage and spelling words AND math practice in your folder this week

## This Week's Agenda

**Spelling:** -cal & -cle  
-cal: turns a noun to an adjective  
Music -> musical; comic -> comical  
-cle: is a consonant le syllable type and doesn't have special meaning.  
Examples: circle, bicycle, vehicle  
**Reading:** We are reading and writing about fables and folktales.  
**Math:** We will take all the second-grade skills we've learned this year and apply them to a project in the context of planning a beach trip! This will strengthen our money counting, measurement, telling time, graphing, and computation skills.  
**Social Studies:** We will wrap up our geography unit by learning about the continents.
