January 2026 Newsletter

Hello,

The name Gateway Community Action Partnership reflects our expanded coverage area, but more importantly, it signifies what we are all about. We are a gateway to success for individuals and families in our community and we achieve those results through actions done in partnership within that very community we serve. So please take a minute to read our newsletter and learn more about Gateway Community Action Partnership and our impact in our communities.

Agency Mission And CAP Promise

The agency's mission is to provide services that improve the quality of life and promote self-sufficiency.

CAP Promise: Community Action changes people's lives, embodies the spirit of hope, improves communities, and makes America a better place to live. We care about the entire community, and we are dedicated to helping people help themselves and each other.

Poster Contest Registration Form

Student Information

Name: _____
Age: _____ Grade: _____
School Name: _____
Home Address: _____
Parent/Guardian Name: _____
Phone Number: _____ Email Address: _____

Poster Submission Details

Poster Title: _____

Medium Used: ☐ Paint ☐ Markers ☐ Colored Pencils ☐ Collage ☐ Other: _____

Brief Description of Your Poster (30-50 words):

Parent/Guardian Consent

I, the parent/guardian of the above-named student, give permission for my child to participate in the 2026 Black History Month Poster Contest. I understand that submitted artwork may be displayed publicly and used for educational or promotional purposes.

Signature: _____ Date: _____

Rules and Guidelines

- **Theme:** Posters must reflect the theme "African Americans and Labor" and highlight African Americans' historical or present-day role in shaping labor movements, industries, or workplaces.
- **Eligibility:** Open to students in grades K-12.
- **Categories and Prizes:** Winners will be chosen from three grade categories:
 - **Elementary School (Grades K-5)** First Place Winners – \$50, Second Place Winners – \$25, Third Place Winners – \$20
 - **Middle School (Grades 6-8)** First Place Winners – \$50, Second Place Winners – \$25, Third Place Winners – \$20
 - **High School (Grades 9-12)** First Place Winners – \$50, Second Place Winners – \$25, Third Place Winners – \$20
- **Size Requirements:** Posters must be no larger than 22" x 28". Artwork must be original and created by the student. No digital posters will be accepted.
- **Submission Deadline:** February 20, 2026.
- **Judging Criteria:** Posters will be evaluated based on creativity, adherence to the theme, and artistic quality.

Submission Instructions

1. Complete this form and attach it to the back of your poster.
2. Drop off your poster at the Greater Bridgeton Family Success Center by 5 p.m. on February 20, 2026.
3. Any questions, call the Center (856)451-1133.

Let your creativity shine and celebrate the vital role of African Americans in labor history!

Highlight your artistic talent by competing in Gateway's Greater Bridgeton Family Success Center (FSC) Black History Month Poster Competition. The contest is open to students in grades K-12. Express yourself on paper, attach the completed registration form, and submit your entry in person to the Greater Bridgeton FSC, located at 155 Spruce St, Bridgeton, NJ 08302 by 5 pm on February 20, 2026.

For further information or questions call the Center @ 856-451-1133

Paulsboro Pride Neighborhood Youth Council Participates In Martin Luther King Day Of Service

Gateway Community Action Partnership (CAP) honors Dr. King's legacy by empowering and encouraging our young people to serve others. Members of our Youth Council and volunteers packed nearly 50 bags of winter essentials to be distributed to our homeless neighbors in need. The kids wrote special messages for each bag to instill hope in those individuals who may need it most.

"Life's most persistent and urgent question is, 'What are you doing for others?'" - Martin Luther King Jr.

Gateway CAP thanks the Paulsboro Community Care Closet for their generous donation of hats, gloves, and socks, as well as the Gateway Gleaning Program for providing essential items, including toothbrushes, soap, hand warmers, and hygiene wipes.

If you know any youth or adults who are inspired to serve, we invite you to become a volunteer and make a difference in the Paulsboro Pride Neighborhood. We are currently looking for volunteers to join our Steering Committee and Youth Council.

To learn more, visit: www.gatewaycap.org/paulsboropride.

Gateway Participates In Dr. Martin Luther King Jr.

Day Of Service

Gateway's Southeast Gateway Neighborhood (SEG) Coordinator, Esaul Martin, collaborated with the Littoral Society Program Director, Lucia Osborne, and Stronger Families/United Advocacy Group Executive Director Rich Nichols in a community clean-up in recognition of Dr. Martin Luther King Jr. Day of Service. The event took place at an illegal dumping site on Lambdin Ave. in the SEG Neighborhood.

Thank You Perdue AgriBusiness Grain Mill

For the second consecutive year, Perdue AgriBusiness Grain Mill in Bridgeton donated chicken roasters for Thanksgiving and Christmas to Gateway's Family Success Centers (FSC) located in Bridgeton, Millville, Salem, and Vineland. A total of 243 families were served.

FSC Resource Coordinator Sabrina T. Simpkins collaborated with Grain Mill staff members Dallas Pitts and Mathew Colameco (shown in the top right photo with Peter VanMeter). The top left photo features Raquel Matias from Glasstown FSC picking up the chickens, while the bottom shows families from Vineland FSC receiving their chickens.

CongratulationsTo Dibiase Baby Steps

DIBIASE BABY STEPS BEST OF THE BEST 2025!!

CONGRATULATIONS TO BABY STEPS

Dear Parents,

We are very proud to announce that DiBiase Baby Steps has been officially recognized as the BEST of 2025 Vineland Award Winner in the day care category - an honor based on verified data from Google Review, as analyzed and certified by BusinessRate. We are extremely proud of our staff being acknowledged for their dedication to our families and children. Their love and care that they give to our children in our community is admirable. We would also like to acknowledge Ms. Elizabeth and the excellent job she does with the daily operation and overview of our staff, classrooms and children. It is with her daily guidance and loyalty to our children, families and staff that we have achieved this honor along with the assistance of our wonderful Ms. Brandl. We are very proud of DiBiase Baby Steps and all of the work our staff does together as a team to make our school what it is today.

With our deepest and sincere gratitude,

The DiBiase Family

**Gateway CAP congratulates DiBiase Baby Steps Daycare for this achievement as the 2025 Vineland Award Winner in the daycare category. This honor is based on verified data from Google Reviews and was analyzed and certified by Business Rate.
Well done, Dibiase Baby Steps!**

The Division of Consumer Affairs Is Reminding New Jersey Residents To Be Aware Of SNAP-Related Fraud

SNAP Fraud

Supplemental Nutrition Assistance Program

consumer **alert**

The Division of Consumer Affairs is reminding New Jersey residents to be aware of SNAP-related fraud.

Scammers may call or text asking for your SNAP PIN or EBT card number and promise to help you obtain SNAP benefits or help you get instant cash while you await your SNAP benefits. These scammers are trying to steal your benefits and your personal information. Other scammers may ask you for an upfront payment for help applying for or receiving SNAP benefits; but SNAP assistance is always free. New Jersey urges you to take precautions against these scams.

NEW JERSEY RESIDENTS CAN PROTECT THEMSELVES:

- ▶ DO NOT share your PIN, EBT card number, or other personal information (like social security numbers or bank account information) with anyone you do not know or trust! State agencies and SNAP workers will never ask you for this information over the phone or via text message.
- ▶ Anyone you do not know who offers to help you apply for benefits, obtain cash tied to your benefits, or to release funds is a scammer. You can find help applying for SNAP benefits here - <https://www.nj.gov/humanservices/njsnap/apply/help/>.
- ▶ Check your EBT account regularly for unauthorized charges. You can check your account at [NJFamiliesFirst.com](https://www.nj.gov/humanservices/njsnap/apply/help/) or by calling 800-997-3333. If you see any unauthorized charges, change your PIN right away to stop the thief from making new purchases and contact your county social service agency - <https://www.nj.gov/humanservices/dfd/counties/>.
- ▶ Be wary of unexpected phone calls or text messages concerning your SNAP benefits. Never reply to a suspected scammer. If you do not know if a request for

information about SNAP is real, contact your county social service agency.

- ▶ Change your EBT PIN often, at least once a month and right before your next benefits are issued.
- ▶ If you think a call, text, email, or letter is a SNAP-related scam, report it to your county social service agency.

FOR MORE INFORMATION, SEE THE FOLLOWING RESOURCES:

snap-fraud-alert • 11/03/25

Scammers may contact you, asking for your SNAP PIN or EBT card number while promising to help you with SNAP benefits or instant cash. These scammers are trying to steal your benefits and personal information. Just to remind you, SNAP assistance is always free, and you should be careful of anyone asking for upfront payments. New Jersey urges you to protect yourself against these scams. For more on the topic, click the link above.

Barn Studio's Visit To Head Start

Partner Of The Month Spotlight

Our Partner of the Month for January 2026 is Connor Strong & Buckelew . We thank Connor Strong & Buckelew for all its generous contributions to Gateway CAP.

Gateway Community Action Partnership (CAP) appreciates Connor Strong & Buckelew's generous support. Their commitment to corporate social responsibility is commendable and sets a strong example for other organizations to follow. Philanthropic efforts like these are crucial for enhancing society, and their support will significantly strengthen our initiatives.

We sincerely thank the Connor Strong & Buckelew for its exceptional assistance and extraordinary kindness.

CALL US AT 856-462-5810

The Monarch Family Success Center, located at 1038 E. Chestnut Ave, Suite 235, Vineland, New Jersey, is now under new management, effective November 1, 2025. The Gateway Action Partnership is currently providing services and will soon expand its mobile locations. The facility is open one evening a week and one Saturday each month; the days and times are to be announced.

For more information, please call 856-462-5810.

Gateway's Weatherization Program

Weatherization Improves Utility Costs & Health Outcomes!

The Weatherization Assistance Program (WAP) efficiently retrofits below standard low-income homes, greatly improving residents' utility costs and health outcomes.

Winter is coming! Are you concerned about your home's energy efficiency? For more information on Gateway's Weatherization Program, please visit <https://www.gatewaycap.org/weatherization> or call (856) 455-5900.

Major Winter Hazards To Avoid

Winter weather presents distinct challenges that can pose serious risks if not properly managed. From cold-weather-related illnesses to accidents caused by ice and snow, recognizing these hazards is the first step in prevention. Below are the most common dangers people face during the winter months:

- **Frostbite:** Protect your skin from freezing temperatures by wearing layers of warm clothing and keeping your nose, ears, cheeks, chin, fingers, and toes covered.
- **Hypothermia:** Dress warmly, limit exposure to the cold, and avoid getting wet. If you must go outside, use a scarf to cover your face and mouth.

- **Road Accidents:** Drive carefully, clear snow and ice from your vehicle, use traction materials, and avoid sharp turns and sudden stops.
- **Home Fires:** Inspect your home heating system, use safe alternative heating options, and never use ovens or stoves for heating indoors.
- **Prevent pipe freezes:** Insulate water pipes with foam sleeves, heat tape, or thermostat-controlled heat cables. When temperatures are expected to drop below 28 degrees Fahrenheit for at least four hours, let at-risk faucets drip to reduce the likelihood of frozen and burst pipes.
- **Weather-Related Injuries:** Prevent falls by wearing appropriate footwear, walking slowly on slippery surfaces, and using outdoor stairways with caution.
- **When shoveling snow,** there is a potential for exhaustion, dehydration, back injuries, or heart attacks. During snow removal, take frequent breaks in warm areas, **warm up** before the activity, scoop small amounts of snow at a time, and, where possible, push the snow instead of lifting it.
- **By taking these precautions,** you can reduce the risk of severe winter hazards and ensure a safer winter season.

Winter Termination Program 2025-2026

Winter Termination Program

If you are having trouble paying your residential electric, sewer and water service bills this winter, the NJ Department of Community Affairs has a program to protect you from having these utilities turned off from

November 15 through March 15

Who is Eligible?

You qualify for protection during this period if you are being helped by one of the programs listed below:

- Federal Home Energy Assistance Program (HEAP)
- Temporary Assistance to Needy Families (TANF)
- Federal Supplemental Security Income (SSI)
- Pharmaceutical Assistance to the Aged and Disabled (PAAD)
- General Assistance (GA) benefits
- Universal Service Fund (USF)
- Lifeline Credit Program

OR

You are unable to pay your utility bills because of circumstances beyond your control such as unemployment, illness, medically related expenses, recent death of an immediate family member, and any other circumstances, which might cause financial hardship.

The New Jersey Board of Public Utilities (NJBPU), in partnership with the New Jersey Department of Community Affairs (NJDCOA), announced that the 2025-2026 Winter Termination Program (WTP) is now in effect, protecting eligible New Jersey residents from having their essential utility services shut off during the coldest months of the year.

Running from November 15, 2025, through March 15, 2026, the program prevents the disconnection of electric, gas, water, and sewer services for qualifying residential customers, ensuring that vulnerable customers facing financial hardship maintain access to heat, power, and water throughout the winter season.

For more information, email winter@gatewaycap.org

**Atlantic City Electric Is Preparing Support
For Winter Storm**

Contact: Brian Ahrens
Atlantic City Electric Communications
609-625-5860 (media hotline)

FOR IMMEDIATE RELEASE

Atlantic City Electric Preparing to Support Customers Ahead of This Weekend's Winter Weather

Mays Landing, N.J. (Jan. 22, 2026) — With winter weather expected to bring snow and freezing rain across South Jersey beginning late Saturday, Jan. 24, and continuing through Monday, Jan. 26, Atlantic City Electric is taking steps to ensure customers have the support they need before, during, and after the storm.

Atlantic City Electric is mobilizing for this winter storm and has proactively increased staffing to ensure crews are available to respond to any power outages as quickly and safely as possible. Of particular concern is the potential for a significant accumulation of snow, followed by sleet or freezing rain, which can have a severe impact on trees and power lines. Downed trees, limbs and other debris cause approximately half of all power outages during storms. Our preparations are focused on keeping customers safe and restoring service promptly if the weather causes damage.

Helping Customers Prepare

Atlantic City Electric encourages customers to take simple steps now to stay safe and comfortable if the storm affects power in their area:

- Keep bottled water and non-perishable, easy-to-prepare food on hand.
- Customers who rely on electricity for medical equipment, or who may be elderly or have disabilities, should confirm backup plans in case of an extended outage.
- Assemble an emergency storm kit with a battery-powered radio, flashlight, a first-aid kit, blankets, battery-powered or windup clock, extra batteries, medications, multi-purpose tool and list of important/emergency phone numbers.
- Fully charge cell phones, computers, electric vehicles, and other devices before the storm arrives.
- If you have a landline, keep a corded phone available in case mobile devices lose power.
- Place a working flashlight with fresh batteries on each floor of your home.

How to report outages

Atlantic City Electric asks all customers to [report outages](#) in any of the following ways:

- Online at atlanticcityelectric.com/storm
- Atlantic City Electric's free mobile app
- Text message, to 20661
- Phone, by calling 800-833-7476

These reporting services are available 24 hours a day, 7 days a week. To sign up for email and text notifications, visit atlanticcityelectric.com/alerts.

Restoration priorities

Atlantic City Electric's restoration priorities are public safety and other essential services such as 911 centers, hospitals, and pumping stations. Then restoration is generally scheduled so that the greatest number of customers can be restored as quickly and safely as possible. However, in cases of extended power outages, consideration is also given to customers who have been without service for the longest.

Downed wires: safety reminder

As a reminder, fallen overhead power lines should never be approached or touched even if the lines do not appear to be live or sparking. Call Atlantic City Electric at 800-833-7476 to report fallen electrical lines and power outages.

Atlantic City Electric customers are encouraged to visit atlanticcityelectric.com/alerts before winter weather grips the region. Customers can receive updates on their energy usage and information regarding power outages via text, email, or phone, including when power is out, when service is expected to be restored, or when power is restored. In addition, customers can text "ADDOUTAGE" to 20661, to enroll in our two-way texting program to report outages and check the status of an outage.

To learn more about Atlantic City Electric, visit [The Source](#), Atlantic City Electric's online newsroom. Find additional information by visiting atlanticcityelectric.com, on Facebook at facebook.com/AtlanticCityElectric, and on X, formerly known as Twitter, at twitter.com/AcEleCconnect. Atlantic City Electric's mobile app is available at atlanticcityelectric.com/MobileApp.

###

Atlantic City Electric is a unit of Exelon (Nasdaq: EXC), a Fortune 200 company and one of the nation's largest utility companies, serving more than 10.7 million customers. Atlantic City Electric provides safe and reliable energy service to approximately 572,000 customers in southern New Jersey.

Atlantic City Electric is preparing to support customers ahead of this weekend's winter weather. Please see the caption above for details.
