- 6/12 Tech Free Day
- 6/16 4th Grade visits DMS
- 6/17 3rd Grade trip to Turtle Back Zoo

Third Grade Trip to Carnegie Hall

On Tuesday, May 19th, our 3rd grade students traveled to Carnegie Hall to participate in the Link Up program presented by Carnegie Hall. The students had a wonderful opportunity to learn about the orchestra and actively participate in the musical experience. Thank you to Ms. Ahn for providing our students with this memorable opportunity!

Field Day at CRS

On Friday, May 15th, our CRS students enjoyed a beautiful day for Field Day. The morning was filled with smiles as our preschool students had a great time participating in outdoor games and activities together. In the afternoon, our kindergarten and first grade students took to the field and enjoyed competing in the events they had been practicing during gym class. It was a wonderful day filled with teamwork, laughter, and school spirit for all!

How Do I Feel with Mrs. Conover

School Counselor, Mrs. Conover led a hands-on SEL lesson using Play-Doh and feeling mats to help students explore and identify emotions. Through engaging activities and positive classroom discussions, the students built self-awareness, strengthened their emotional vocabulary, and learned to recognize facial expressions and feelings in others.

Visits to the Nature Center

Nature is the ultimate classroom! At the beginning of May, our kindergarten and first grade students enjoyed educational nature walks with Mr. Marc. The kindergarten classes explored the beautiful Demarest Nature Center, while the first graders visited Closter Nature Center. During the trips, Mr. Marc pointed out local plants and animals, giving the students a firsthand look at how our local ecosystem works.

May 22, 2026

Dear CRS and LLE Families,

Our 3rd graders took their annual trip to Carnegie Hall for an unforgettable Link Up concert experience. Students had the chance to step into the role of performers as they sang, moved, and played their recorder alongside a live professional orchestra in one of the most famous concert halls in the world! After months of preparation in music class, it was amazing to see our hard work come to life and come together with different schools and musicians. Our favorite part was the finale when all the students stood up to sing and dance to Oye! The hall was filled with smiles and laughter all around. It was truly a memorable musical experience for everyone involved.

Please remember that Tuesday, May 26, will be the LLE Field Day. We will be watching the weather over the weekend in case it needs to be postponed again.

Below are reminders to review:

- **Preschool Registration:** This is now open for domiciled Demarest residents. Please click [here](#) for more information.
- **Kindergarten Registration:** Please click [here](#) for more information.
- **Upcoming Events:**

<u>Date/Time</u>	<u>Event</u>
