

Monroe School

HCSD3 November 2024 School Board Report

What's Happening?

This month we celebrate Veterans Day on November 11th. The theme for this year as stated on www.Department.va.gov, is "A Legacy of Loyalty and Service." Veterans Day began as an occasion to reflect upon the heroism of those who died in service of our Country. So let me say on behalf of Monroe School, "Thank you" to all those who have served our great nation.

This month we are getting our CAT simulator training and could not be more excited! Our CTE Teachers, Mike Ribeiro and Jacob Beers are looking forward to being students and then facilitators for this wonderful opportunity for our students.

Enrollment

We have 17 high school students enrolled (including 6 English Language Learners) and 13 VESoy (Vocational Education for Students and Older Youth).

Upcoming Events

- **NO SCHOOL:** Veterans Day, November 11
- CAT Simulator install & training: November 13-14
- **NO SCHOOL:** Thanksgiving Break, November 27-29
