[Republicans Pick a Bible-Believing House Speaker - Here's Who It Is](#)

Speaker Mike Johnson of Louisiana is an Evangelical Christian who is being described as a staunch conservative, and he clearly has the support of the majority of Republicans. In his first address to the entire House as Speaker on Wednesday, Johnson said, "I want to tell all of my colleagues here what I told my fellow Republicans in that room last night. I don't believe there are any coincidences in a matter like this. I believe that scripture, the Bible is very clear. That God raises up those in authority. He raised up each of you. All of us. And I believe that God has ordained and allowed each one of us to be brought here at this specific moment in this time. This is my belief."

Highlights from Letters to Power 88

Greetings thank you for the Power 88 Ministry! Last week my wife and I were vacationing in Orange Beach and had a great time. We love that we found Power 88. I live in north central WI. I love the variety and styles that you offer on 88. I liked how on the weekend you had that v/o for almost each song, that way you didn't have your announcer FILO and take up extra air-time.
