Ms. Leanne

**Ms. Leanne**  
 Dearest Evaline families, the path of life is leading me on another adventure this summer and I'm afraid I won't be returning to Evaline for the 2024/2025 academic year. I have deeply enjoyed my time with the students and staff at Evaline and feel very fortunate to have had the chance to get to know you all over the last three years. I will treasure my memories (and the hand-drawn portraits) of the kids I've had the joy of teaching and wish every one of you the very best in the years to come. I'll miss you!  
 Always, Ms. Leanne

**WE WILL MISS YOU**

## Kindergarten - 2nd Grade May Student of the Month: Graice Hope

I chose Graice for Student of the Month because she is eager to learn. She has risen to different challenges with a positive attitude. She keeps trying until she is successful even when things are hard. Graice celebrates her accomplishments and continues to try to reach the goals that she has set for herself. She is kind and encourages her classmates to be their best. Graice adds fun and laughter to our classroom. I am happy to announce the TK and Kindergarten student of the month as Graice. **Congratulations, Graice!**

## 3rd - 6th Grade May Student of the Month: Kaira Hardenbrook

May's Student of the Month award goes to a student who has been consistent throughout the school year. They could easily have been given student of the month any month this year. They are always working hard, kind to their peers, and respectful to their teachers. When I was gone I knew I could trust this student to be on their best behavior and continue working hard. In addition, they have really worked hard this school year to embrace our class motto of "I can do hard things" by sticking with hard tasks. I am proud to say May's Student of the Month award goes to Kaira Hardenbrook. **Way to go, Kaira!**
