Kiwanis Kids is a global program that provides members with learning and experiences to build character, improve communities and gain leadership skills through service. Our service project this year is to keep our stair cases clean and free of debris. Our next meeting date is 1-29 from 2:30-3:15. Join Us!

Our upper lot is for parking ONLY; there is no drive thru or standing. There is no parking in the drop off/pick up lanes before and after school.

CELEBRATIONS AND INFORMATION

Amplify Reading Program, an online program supporting reading for all K-6 students, is available this year for FREE. It can be used at school and home on Clever.

Student Council is excited to host our annual Spelling Bee for 4th, 5th, and 6th grade students.
January 17th, 12:45-2:15pm

Mrs. Waller, Nutt, Sautner, and J. Murphy recertified and maintained their National Board Certification! This rigorous process is the most respected professional certification available in education and acknowledges the skills and dispositions they have as Accomplished Teachers.
