STUDENT IDS

Student ID badges were issued to in-person learning students on August 17th. As an important element to school safety, students are expected to have their student IDs with them while on campus during the school day and at school events. Student IDs can also help students take advantage of discounted admission fees to school events, like athletic competitions.

ABSENT?

Please contact MHS's front office should your student be absent at 623-388-2111 or you can email Mrs. Jasmin at cbedoy@nadaburgsd.org. Please be sure to provide your name, relation to student, first/last name of the student, reason for absence, and how long student will be absent. Also, if your student is late, we ask that they please sign in at the district office.

MHS is a Closed Campus

Student safety is a priority at MHS. To help ensure student safety, MHS is a closed campus meaning ingress and egress of the campus are limited to the student drop-off/pick-up gate each morning and afternoon. Once school begins, all students and visitors must check in through the district office. Thank you in advance for helping us keep the campus secure.
