Support Your Child's Learning: Drop Off by 7:50 and Pick Up at 2:55

- ✦ Early pickups at the end of the school day result in valuable lost learning time for your child—and cause disruption to the teacher and the learning of all other students in the classroom. It is important that students attend a full day of school from 7:50 am to 2:55 pm.
- ✦ **Early pick up for any reason other than a doctor's appointment requires meeting with the principal at the time of pick up.**
- ✦ If you come early and have not called in advance to let us know of a scheduled doctor's appointment, you will be asked to return to your car to wait.
- ✦ Fridays are typically full days of school—please respect that and avoid picking up early to get a head start on the weekend.
- ✦ Trying to avoid the carline is not an acceptable reason for picking up early.
- ✦ Call school in advance to tell us about early pickups for doctor's appointments. Provide the school office with a doctor's note validating the appointment.

Cafeteria Reminders

During a review of our school lunch program this past week, the reviewer noted the number of students bringing candy and large bags of potato chips. This is a violation that could cause us to lose our participation in the National School Lunch Program. This program provides food to all Guardian children at no charge to you, and it reflects our effort to provide healthy food choices and good nutrition. We do not want to lose this important opportunity for our children.

A 1-oz bag of chips in a packed lunch is one thing. However, no child needs candy, an 8-oz or party size bag of chips or a full can of Pringles to supplement or replace their lunch. No food is to be eaten outside the cafeteria, but because of the quantities that are being carried in, we're finding chips, candy wrappers and gum throughout the building. We're counting on your support to monitor what goes in lunch bags, backpacks and pockets. Thanks for your help!

- ✦ **Monthly Payments Due** for tuition, books, extended day. We count on parents' timely payments to meet our expenses.
- ✦ **Report card questions?** Contact your child's teacher to schedule a conference
- ✦ **Did you miss Open House?** Students will bring home Terra Nova reports

The mission of Guardian Catholic School is to help students attain their potential through high quality Catholic education in a Christ-centered environment that inspires each of us to think, learn, achieve, pray and serve our communities.
