

WHAT'S THE BUZZ WITH MES?

We love MES! Even though we are new to the school, our first year has been an incredible experience. The faculty, staff, and students welcomed my daughters with open arms.

Thanks to their amazing teachers, their academics have grown by leaps and bounds. The fun end of the year activities were the cherry on top!

Having 2 sons that have attended MES, we have been a part of the Hornet family for 13 years. The love and support is overwhelming. As the saying goes "Once a hornet, always a hornet!" We Love MES!

Our family loves Monteagle Elementary! The teachers and the staff truly care for all the students and work hard to make school a fun learning environment. Both my sons love attending school there and our family enjoys being a part of the school community.

As former MES students, MES has and always will have a special place in our hearts! The school has always had our children's best interests at heart. We know that whenever we drop our children off each day, that they are surrounded by people who care not only about their education, but their well-being and safety as well! Having that security and assurance for your children helps us as their parents feel more at ease sending them to school. We appreciate everyone at MES.
