

5th Grade Newsletter

Mrs. Bohman
Grade 5
March 4, 2024

Standards to Learn in March:

Math:

- * The Highly Proficient student can use real-world data to create a representation and draw conclusions based on the data presented.
- * The Highly Proficient student can generate two numerical patterns using two multi-step rules and explain their relationships between corresponding terms.

Reading:

- * The Highly Proficient student can analyze complex cause and effect relationships and interactions between individuals, events, or ideas, providing evidence based on specific information in the text.
- * The High Proficient student can apply word analysis skills in decoding words in and out of context.

Science:

- * Human Impacts on Earth Systems
- *Molecules to Organisms: Structure and Processes

Social Studies:

- * We will focus on the Constitution and Civil War units.

5th Grade Happenings:

The end of the 3rd Quarter is March 7. Parent teacher conferences are the evenings of March 5 and March 6. An email was sent with the Google Calendar link to sign up for a conference time. I look forward to meeting with everyone. The students continue to impress me with the many things they are learning! Please don't hesitate to contact me with any questions or concerns.

abohman@troysd287.org
