

2023 ARIZONA STATE TAX CREDIT

Arizona law allows taxpayers a credit for contributions made to a public school in the state for support of extracurricular activities and character education programs. For 2023, married couples filing jointly may claim a credit up to \$400; married couples filing separately may claim up to \$200 each; and single/head of household taxpayers may claim up to \$200.

- The credit is against taxes. If an individual has no tax liability, a credit will not be available for this year; however, it can be carried forward to later years.
- When the check is received, the taxpayer will receive a receipt from a school district official.

Please support this win-win opportunity for students. Mail your contribution by April 15, 2024 to:
