

MAY BUSINESS MANAGERS

I attended Spring Training workshop for two days in Bismarck, they gave an insight of more of what will be changing this school term.

Election stuff is ready, the office girls helped get the ballots out.

Kim will be helping me the first week in June to get the teachers contracts paid out

Emailed the Audit lady to see if she could at least get me a list of things she will want so I can have the office girls start scanning things for me before they leave for Summer Break.

Once the teacher's negotiations are finalized, I will start on their contracts.

I will also start on the classified employees work agreements after the teacher contracts are done. Mr. Rinas had sent out to all classified staff with an intent to return to work in the end of April, beginning of May.

Continue to assist Mr. Rinas with any reports he may need, or any information for year end.
