

Lake View Primary School - 2nd grade Learning Academy

Dear Parent/Guardian:

Lake View Primary School is taking steps to close learning gaps in regards to reading and math. Part of the plan is to provide a Math and Reading Academy that uses established district curriculum and resources (Benchmark Advance; EnVisions Math) as well as teaching and learning tools to accelerate learning. Students will participate in both the Math and the Reading instruction, as well as a structured activity each day. With the programming, students have access to a FREE after school snack as well as transportation.

Everyday attendance is expected with our program. Take a look at the programming information to ensure the program dates work with your family's schedule.

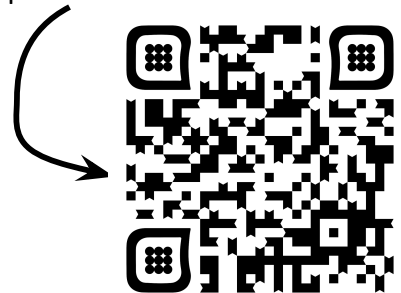

Enrollment is happening now! Complete the application using the QR code provided in this packet or use the paper enrollment form and return it to your school as soon as possible. **Programs begin on September 6, 2022.** A school staff member will follow up by phone to confirm enrollment. This program is open to a maximum of 40 2nd grade students.

Spots will fill up. When all spots are filled, we will be sure to communicate with the school community.

Schedule:

- Where: Lake View Primary School
- When:
 - September 6, 2022 - December 8, 2022- 3:00 pm to 4:25 pm
 - Monday, Tuesday, and Thursday
 - **No programming the week of October 10**
- A FREE after school snack is served from 3:00 pm to 3:15 pm

Other Numbers

Dana Bennett, Administrative Assistant:

928-608-4202

Anne Martin, Director of Academic Enrichment:

928-608-4294

Attendance Expectations and Procedures

Attendance is expected everyday of a program. If a student enrolls in a program and doesn't show up for programming or a student misses more than 3 days of programming, the school will make efforts to contact the family. If contact is unsuccessful, the school will open the spot for a student on the waiting list to attend.

Transportation Information

After School Pick Up

Students are to be picked up at the front of the school no later than 4:30. Failure to pick up students on time more than three times will result in that student being dismissed from the after school program, and the school will open the spot for a student on the waiting list.

After School Bus Routes

The Page Unified School District offers transportation after school to all eligible students approved to ride; however, the route information is different from the regular school route. If your child will be riding the 4:30 Activity Bus for the first time, please familiarize yourself with the following schedules and service areas. Make sure to select your primary method of transportation on the enrollment form. Use route information below to make this decision. If your transportation method needs to change, contact your school to communicate the changes. Depending on the timeliness of your communication, the request may or may not be possible.

*****DEPARTURE TIMES – 4:20 PM from Lake View *****

*****DEPARTURE TIMES – 4:30 PM from Middle School *****

*****DEPARTURE TIMES – 4:45 PM from High School/Desert View*****
