Hosford School has 107 students in Kindergarten through 2<sup>nd</sup> grade enrolled in a comprehensive music education program who qualify to receive a maximum of \$150 per fulltime equivalent .

The district qualifies based on prioritization #3. The implementation of new or support of existing K-2 music programming in districts with Title 1. The additional FTE will be used to support existing programs.

### Project Abstract and Summary

This application narrative addresses how the school district will achieve the project objectives as described above including:

- ✓ detailed description of the project need including the activities to be implemented
  - The project will provide additional Music Play resources and lesson for Kg-2<sup>nd</sup> grade students
- ✓ the overall goals and objectives for 2023-2024 and specifically detail its related impact on Florida students and teachers
  - The program overall goals and objectives will be to increase student achievement and knowledge of elements of music. This goal will be achieved through grade specific objectives (see appendix for examples).
- ✓ the program management structure and a detailed description of the positions, related job responsibilities, and salaries included in this grant.
  - The program management structure will include fiscal oversight by the LCSB CFO and Grant Manager and the day-to-day operations will be managed by the

school-based music teacher. All salaried positions are paid from the LCSB general fund.

## **Project Design**

The LCSB application narrative provides information specific to the project design and the project activities to be implemented, including:

- ✓ a description of the target population, program recruiting process, community partners, exposure within the community, and credentials of participating teachers.
  - The target population is all Kg-2<sup>nd</sup> grade students at Hosford School. There is no recruitment process.
  - Community partnerships and exposure within the community include the Liberty Arts Council and District Advisory Council, as well as quarterly music programs open to the public.
- ✓ what work will be accomplished within this grant year and when, including information on any trainings or programming.
  - New music instruments and instructional materials will be purchases as soon as the grant funds are received.
  - Pre and post testing data will be collected as units are completed.
  - There will not be any related trainings.
- ✓ plan for teachers selected for the program and how/when they will be meeting together and supported by the district arts specialist or leadership.
  - There is only one music teacher in the school, she was selected to participate in the grant and met with the district grant manager to plan and implement the program.
- ✓ programming descriptions and relevant information on when programming will occur throughout the year.
  - The Music Play program provides easy to follow sequenced lessons including videos and all applicable materials.
- ✓ information regarding what program development and improvement is scheduled to take place this year (this should include: length of programs and content to be covered, identification of alignment to Florida's state academic standards, processes, and procedures, etc.).
  - See the appendix for sample Scope & Sequencing guidelines and suggested timelines.

## **Baseline Data**

The application narrative must include data detailing:

- ✓ how many students and/or educators will be served.
  - 109 students in Kg-2<sup>nd</sup> grade along with 1 music teacher will be served.
- ✓ how and when participant feedback data collection will take place and what metrics are used to determine a successful program tracking reading, math, and behavioral data.

- The program will collect participant feedback data collection will utilizing The Music Play program pre/post assessments. Student Reading & Math data will be based on FAST progress monitoring assessments and the student behavioral data will be tracked using FOCUS software.
- ✓ how and when pre/post assessments take place for student programming and what metrics are used to determine student growth within a program.
  - The Music Play pre/post assessments will be used to determine student growth.
- ✓ how participation may improve students' success within the arts; pre/post music assessment.
  - Progress monitoring data for reading and math will be taken into account as the teacher implements the program scope & sequence.

### **Project Goals**

The LCSB project goals include:

- ✓ identify targeted number of students to be served through onsite programming and detail how this information will be captured and reported.
  - All 109 Kg-2<sup>nd</sup> grade students at Hosford Elementary and Junior High School have been identified as targeted students to be served through onsite programming. This information will be captured and reported using FOCUS.
- ✓ identify targeted number of relationships with Florida teachers and school district administration and how this information will be captured and reported.
  - The one school teacher will work with the one district administrator who manages all grants and curriculum for the district.
- ✓ identify targeted goal for curriculum alignment and development and how this information will be captured and reported.
  - The music teacher will utilize the Kg-2<sup>nd</sup> grade curriculum to scaffold students' knowledge of music instruments and standards, in order to prepare them for the intermediate and secondary grade level programs, which she also teaches.

### **Deliverable Requirements**

The LCSB application packet includes project deliverables as outlined on the attached Project Performance and Accountability Form. This form reflects activities and program performance during each reporting period. All reports, except final report, will be a cumulation of work done in a given quarter and submitted on a quarterly basis as identified once grant funds have been received.

### **Intended Impacts or Projected Outcomes**

The LCSB application narrative identifies the primary outcome of the program and the impact of success for the participant, including:

- ✓ outcomes on how this work will impact students in their community and throughout the state of Florida.
