Roosevelt Public School

Written Notification of School Accountability Report

Dear Parent/Guardian,

North Dakota has launched a dashboard called “Insights,” designed to help communities across the state access important information about K-12 districts and schools. Insights features easy-to-read reports on multiple measures of school success, including:

- Student Achievement
- Choice Ready Results
- Performance Comparisons
- English Learner Progress
- Graduation Rates
- School and State Accountability Results
- School Improvement Information
- Post-Secondary Education
- School Environment

Transparency to the Public

North Dakota is committed to informing communities about how well our schools are doing. North Dakota’s future success depends on tapping into the potential of all students, so they graduate choice ready with the knowledge, skills, and disposition to be successful.

State education departments are required to annually create an accountability report for every public school in the state per the Every Student Succeeds Act (ESSA). The school accountability reports outline how schools perform on the accountability elements North Dakota selected within its ESSA plan.

How is our School Doing?

To find more information about our School Accountability Report, visit the dashboard at Insights.nd.gov, select “Find My School,” and search alphabetically. The school accountability report is posted under the Dashboard heading.

Please note that the data made available to the public masks or hides data for groups with ten or fewer students to protect confidential information about individual students. Therefore, if data is unavailable to less than ten students, it will say “no data available.”

Roosevelt Public School continues to show improvement, with our overall accountability score increasing from 415.02 in 2023–2024 to 473.79 in 2024–2025 and 507.98 out of 615 possible points in 2025–2026. We are especially proud to have earned maximum points in both math and reading achievement. We are also excited about our student engagement scores, which increased from 140.68 in 2023–2024 to 152.05 in 2024–2025 and 174.85 out of 205 possible points in 2025–2026! We will continue focusing on student growth and success for all students.

Family Engagement

We have strong plans for working to continue to improve the educational programs at our school. We want you and your child(ren) to continue actively participating in our educational system. Please help support our high expectations for student achievement by participating in the school educational initiatives, offering input and support in our endeavors to raise student

achievement, or volunteering at the school. Meeting our school's goals will take a united effort, and we look forward to working with our families to ensure success for each student.

Continuous Improvement

All schools engage in continuous improvement for general support; therefore, our school has completed a continuous improvement plan through Cognia.

As part of our overall school improvement plan, a strategy map is developed to outline our key improvement goals in math, reading, and social-emotional learning. Our strategy map is also available on Insights.

Roosevelt Public School is a participating Title I school, with a student membership count of *60*.

Sincerely,

Cody Miller-Kraft

Building Principal
