

ParentVUE APP UPDATE

Same Account. A New Look!

The ParentVUE app has a new look!

The colorful ParentVUE app (left) is being replaced with a new solid purple app (right). Please follow the steps below to make the switch.

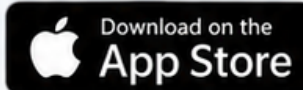

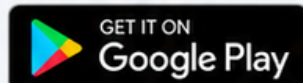

Old ParentVUE App
(Colorful Icon)

New ParentVUE App
(Solid Purple Icon)

HOW TO SWITCH TO THE NEW APP

- 1** Delete the old ParentVUE app from your device.
- 2** Search for ParentVUE in the Google Play Store or Apple App Store.
- 3** Download and install the new ParentVUE app (solid purple icon).
- 4** Open the new app and log in using your existing ParentVUE account.

ALREADY HAVE A PARENTVUE ACCOUNT?

If you are already using the ParentVUE app or have already registered your account online, you **do NOT** need to reregister. You will simply log in with your existing username and password.

NOT REGISTERED FOR PARENTVUE?

If you are not yet registered, you should have a ParentVUE letter with instructions on how to create your account. Please use the information in that letter to register.

Same Account. Same Access. | **GO EAGLES!**
