

Be Awesome With Us (I really mean it - we're a pretty great team)

Do you want to be a part of a progressive dynamic team who support you in your professional goals? Do you want to make a difference in students' lives by making real connections? Then PACE Academy High School needs you. PACE is seeking highly qualified secondary teachers in Math, STEM/Science, and Paraprofessionals for the 2022 – 2023 school year.

DUTIES AND RESPONSIBILITIES:

1. Organizes class time to provide a balanced program of instruction, demonstration and practice time.
2. Provides individual and small group instruction in order to adapt curriculum to the needs of the students with varying intellectual abilities, and to accommodate a variety of instructional activities.
3. Establish and maintain good communication with parents; inform parents of student progress and school activities.
4. Evaluates each student's performance and growth in knowledge and understanding.
5. Maintains professional competence through in-service education activities and professional growth activities.
6. Must be able to work cooperatively with all members of the staff and communicate effectively with parents and students.
7. Integrate the use of technologies and research-based “Best Practices” to maximize student engagement and learning.
8. Cooperates in school-wide supervision of students during out-of-classroom activities.
9. Participates in faculty and/or campus committees and student activities.
10. Use and implement effective classroom management techniques to maintain organization, orderliness, student safety, and a productive learning environment.
11. Have the flexibility of working at a small school and taking on different responsibilities.

JOB QUALIFICATIONS AND REQUIREMENTS:

Arizona applicants, please provide current AZ teaching certificate, preferred Highly Qualified status, 24 credit hours in content area as prescribed by NCLB, current SEI/ELL endorsement as well as an IVP fingerprint clearance card (front and back), unofficial transcripts and proof of passing professional knowledge exam(s); AEPA, NES, PRAXIS. Out of State candidates: current state teaching certificate, unofficial transcripts with test scores. Candidates must meet and provide proof of being properly certified before new hire process can begin. Official transcripts, test scores and employment verification required at time of hire for proper placement on salary schedule.

Small campus atmosphere with beautiful year-round weather, just a short ride from Phoenix. Benefits include Arizona State Retirement System, health, vision and dental insurance. Salaries are based on experience and are very competitive with the larger school districts.

Job Types: Full-time, Part-time, Contract Compensation based on experience and qualifications
