

ESSER III Use of Funds Plan

ROE #51 proposes to use the \$100,538 funds for needed student support persons in the mental health and social learning areas. These individuals will be experienced retired school counselors, social workers, or student support persons who are interested in working on a part-time basis.

They will work with students who fell behind academically during the remote learning days as well as provide help in areas of emotional health and social well-being. They will do individual and small group counseling, home visits, and make referrals to appropriate resources in the community.
