

TIGER PULSE

33 Edition

24 April 2026

They're off—and what a moment it is!

Today we send off Team 46390C—Lance Sykora, Nolen Guse, Alyse Frank, and Orion Pottle—as they head to St. Louis to compete at the VEX Robotics World Championship. This is no small feat. After months of designing, building, testing, and problem-solving, they've earned their place among the best middle school teams in the world. With hundreds of teams and dozens of countries represented, the competition will be tough—but this group is more than ready for the challenge.

You've put in the hours, faced the setbacks, and kept pushing forward. Now it's your time to step onto the world stage and show what you're made of. Represent your school, your community, and yourselves with pride.

We couldn't be more proud of all you've accomplished already. Travel safe, compete hard, and take in every moment of this incredible experience. We'll be cheering you on from back home—go make it count!

UPCOMING ACTIVITIES

- 4/25 V Boys Volleyball vs Hebron (H) 11:00am
