

STUDENT OF THE QUARTER

GRAYSON BLAIS

We are very pleased to announce that Grayson Blais is our Lancaster Student of the quarter for the PM class. Grayson enrolled in our school this year as a freshman. Over the course of the past nine weeks, he has worked diligently on his coursework and has exceeded both our and his own expectations for progress having earned seven credits towards graduation in only forty-five days of school. Grayson is a kind and personable young man who is always willing to help his classmates and teachers. We are very proud of Grayson's accomplishments at NCCA so far and look forward to witnessing his successes in the future. Congratulations, Grayson!
