Dr. Castro, Superintendent, thanked everyone for coming to this special Board Workshop.

Vice Chairman, Aaron Proctor told the staff that he understands that some of them may have concerns and he wants to start holding some workshops with people who would want to form a committee to rebuild connections with everyone. He stated that he will outline the group and steps to take at the May meeting. He will figure out if there is interest, if it would be of value and who would be involved.

Chairman, Byron Cannon spoke about working as a team and keeping things positive and heading in the right direction. Asked what they could do to help.

Trustee, Beverly Clark, spoke about the structural make up and stated that the committee should be made up of all types of staff.

The staff was told to feel free to email them with any questions or concerns.

Meeting adjourned at 3:45 p.m.
