Parent's Guide to Title I

What is Title I?

Title I, Part A, is a federally funded program under Every Student Succeeds Act (ESSA). The purpose of Title I under ESSA is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency in challenging state academic achievement standards and state academic assessments.

Which Houston County schools are Title I schools?

CB Watson Primary	Warner Robins High	Tucker Elementary
Eagle Springs Elementary	Parkwood Elementary	Warner Robins Middle
Huntington Middle	Pearl Stephens Elementary	Northside Elementary
WIN Academy	Shirley Hills Elementary	Northside Middle
Miller Elementary	Russell Elementary	Centerville Elementary
Morningside Elementary	Thomson Middle	Northside High
Langston Road Primary		

What support is provided through Title I?

The Title I Program offers a variety of supports, which may include, but are not limited to, additional teachers, support staff, instructional materials and supplies, technology to support student learning, tutoring, professional development for school staff and capacity building events for families.

What role does family engagement play in Title I?

Family engagement is an integral part of the ESSA law. Districts and schools receiving Title I Fund must:

- Ensure that high-quality academic assessments, accountability systems, teacher preparation and training, curriculum, and instructional materials are aligned with challenging State academic standards so that students, teachers, parents and administrators can measure progress against common expectations for student academic achievement.
- Afford parents substantial and meaningful opportunities to participate in the education of their children.

Families,

You can have a tremendous influence on your child's success in school. By partnering with the school and participating in the Title I program, you will:

- show your child that you support and value his/her education.
- be able to closely monitor your student's progress.
- build stronger relationships between home and school.
- provide valuable input about schoolwide programs.

Research shows that students whose families are engaged perform better academically, socially and behaviorally. Be sure to become involved in your child's school by:

- communicating regularly with your child's teacher.
- attending academic-based family events and parent-teacher conferences.
- volunteering at the school.

Warner Robins Middle School is identified as a Title I school as a part of Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging State academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement plan and compact.

What is Title I?

THE CONNECTION

What is it?

The Connection is a comprehensive document joining our School-Family Engagement Plan and Compact together with the purpose of strengthening the bond between school and home. The Engagement Plan describes how our school will provide opportunities to improve family engagement that will support student learning at school and at home. All students and their families are invited and encouraged to fully participate in the opportunities described in this plan. The school will provide information and as many opportunities as possible for the participation of all family members. The Compact explains what teachers, parents and students each will do in an effort to work together to make sure that our students reach grade level standards. The Compact is discussed with families during parent-teacher conferences throughout the school year.

How is it revised?

The Connection is jointly developed and revised by our school's stakeholders. All families are invited to attend our annual Shared Decision-Making Meeting (SDM) held each spring. Families are asked to review and give feedback on the Engagement Plan, Compact, and budget including the 1% set aside. All feedback forms from the SDM Meetings are collected, reviewed and used to revise this document and to improve program planning for the next school year. Families who are not able to attend the SDM Meeting have the opportunity to provide input by completing an online feedback form and completing the Title I Parent Satisfaction Survey that seeks suggestions regarding the plan, compact and budget.

Who is it for?

The Connection is for all students attending a Title I school and their families. We encourage and invite families to fully participate in the opportunities described in this document. Our school will provide full opportunity for the participation of parents and family members with limited English, with disabilities, of migratory children and caretakers of students served in Neglected and Delinquent Centers.

Where is it available?

The Connection is included in our Title I Handbook that is provided to all parents and families at the beginning of the year or whenever a new student enrolls. The Connection is also available on our school website and in our Parent Resource Center. Families can request a copy at any time during the school year.
