

SCHOOL HEALTH SERVICES CONTRACT FOR SCHOOL YEAR 2021-2022

THIS AGREEMENT is entered into on this 14th day of JUNE 2021, between South Central Public Health District (hereinafter referred to as "SCPHD") and Dietrich School District #314 (hereinafter referred to as the "School District").

The parties to this Contract, in consideration of the mutual covenants and stipulations set out therein, agree as follows:

ARTICLE 1. SCOPE OF SERVICES

SCPHD will provide the following SCHOOL HEALTH SERVICES to the School District:

Annual consultation with the school superintendent and administrative staff early in the school year to establish school health services to be provided. Services shall include: 1) those services identified by SCPHD as being priority (e.g., communicable diseases, immunization, children with special needs) and 2) health services identified by the school district as being priority (e.g., vision and scoliosis screenings, 5th and 6th grade puberty classes). All services shall be provided within the constraints of contract hours.

1. Assessment and referral of students who have identified health concerns with an emphasis on communicable diseases.
2. On-site and telephone consultations to coordinate the health care (case management) of students with identified health needs and concerns.
3. Coordination of vision and scoliosis screening activities including rescreens and referrals to appropriate community resources.
4. The PHN will be available to provide programs to school staff and parents which are focused on benefiting students (e.g., medication and health policies, parents as sexuality educators' seminars, etc.).
5. The PHN will participate in evaluating school immunization levels and coordinating appropriate follow-up.
6. Educational programs will be presented within the classroom setting on topics identified by the school and/or nursing staff.
7. The PHN will provide annual review of the health records of all students identified as having special health needs. This will include consultation with appropriate teachers, administrators, and parents to establish health care plans. The PHN will not provide direct patient care.

8. In accordance with PL 94-142 and PL 99-457B, the PHN will participate in planning health care services to those handicapped students with identified special health care needs.
9. In conjunction with school personnel and local agencies, the PHN may coordinate the provision of school-linked clinics (e.g., immunization clinics).
10. The PHN will serve as a liaison person between school and local community agencies that provide coordinated health care, home visits and follow-up for identified students and their families.

ARTICLE 2. ALLOWABLE COSTS FOR SERVICE

The School District agrees to contract at the level indicated below and will pay SCPHD at the beginning of the school year or on a quarterly basis for the above-mentioned SCHOOL HEALTH SERVICES (see: Appendix 1, Average time per service):

Previous year 2020-2021 contracted hours: 26 hours @ \$60/hour
 *Any increase or decrease in previous contract hours: hours @ \$60/hour

Total requested contract hours for school year 2021-2022: 26 hours @ \$60/hour

*Please detail any change in requested contract hours: _____

ARTICLE 3. EFFECTIVE DATE, TERMINATION AND AMENDMENT

This agreement shall become effective July 01, 2021 and terminate June 30, 2022.

- A. All or any part of it may be modified or amended at any time by joint agreement in writing by the School District and SCPHD.
- B. This contract may be terminated either by the School District or SCPHD upon 60 days written notice to the other.

IN WITNESS WHEREOF, the parties below have executed this agreement
