Tips for Parents

Teach phonemic awareness. Young children don't hear the sounds within words. Thus, they hear "dog," but not the "duh"- "aw"- "guh." To become readers, they have to learn to hear these sounds (or phonemes). Play language games with your child. For instance, say a word, perhaps her name, and then change it by one phoneme: Jen-Pen, Jen-Hen, Jen-Men. Or, just break a word apart: chair... ch-ch-ch-air. Follow this link to learn more about [language development milestones in children](#).

Reminders

Parent-Teacher conferences will be held on February 6th. Please make plans to meet with your child's teacher(s) that day. Students will be released early at 11:00.
