Highlights from Letters to Power 88

I would just like to take a few moments of your time to say thanks. My life had been a roller coaster of relationships, drinking & mostly drugs. When I accepted Jesus Christ into my life I had to change radio stations because (it's true) old songs bring back old memories. I'm glad that your team is so positive and informative. My children and I will

continue to support this station because of the positive emotionally uplifting message you bring
